for over a decade the uk has been engaged in a radical reform of its vocational education and training this book contains the first comprehensive description of functional analysis the method developed to define occupational standards and national vocational qualifications it also discusses changes in contemporary work patterns arguing that a new model of occupational competence is needed the job competence model the text is in four parts covering strategy models and methodologies and how to apply them in practice both authors have both been closely associated with the methods and models described in the book and their personal insights add enormously to the value of the material

what is it that makes a counsellor or psychotherapist competent in competence and self care in counselling and psychotherapy gerrie hughes offers a framework for understanding what being competent means for individual practitioners both generally and in moment by moment work with clients divided into two sections part one the competent self and part two care of the self the book explores care and replenishment of the self as an essential requirement for maintaining competence the competence framework presented here suggests that the three elements of practitioner client and context are essential factors for making good therapeutic choices as well as offering a structure for reflection either individually or in supervision the eight principles that elaborate on these elements provide a route to explore competence that is relevant for any theoretical orientation and appropriate for practitioners at any stage the reader is encouraged to make their own exploration of a number of factors that influence competence and to identify development of the self as both a necessary preparation for therapeutic work and as a continuing outcome of being a therapist in addition hughes emphasises the importance of having a sound ethical framework and utilising professional structures as well as examining the contribution of supervision to the development and maintenance of competence this book is an ideal choice for counsellors psychotherapists supervisors and trainers who wish to maintain a robust standard of practice and for those employing them

the health and safety premises and environment handbook 2012 provides you with all the essential information you need on legislation regulation policy case law and best practice information is presented in plain english and broken down into separate a z sections containing legislative summaries key points handy fact boxes and sources of further information all the guidance is written and compiled by our team of expert authors including top law firms surveyors safety consultants and regulatory bodies workplace law s health and safety premises and environment

the book effects and implications of pragmatic competence for enhancing efl university students written performance highlights the effects and implications of the kurd efl students lack of pragmatic competence on their written performance it includes with the written performance of the students at the recognition level and the production level and relies on the results achieved from its instruments the students test the students questionnaire and the lecturers questionnaire depending on the results obtained from the tools the study tries to identify and find out the sources of errors in the written performance of the kurd efl university students the book hypothesizes that the inadequacy of the students written performance could be attributed to the curricula and or the students dependence on the grammatical aspects of the foreign language neglecting the pragmatic and the socio cultural dimensions this gives turn to state that the students written performance is better at the recognition level than the production due to the negative interference of their mother tongue the book concludes that kurd efl learners at the university level face serious difficulties when writing in english the inappropriateness of their written performance can be attributed to the negative effects of their first language lack of contact with english native speakers and culture as well as the limited opportunities to have been in english speaking communities therefore for enhancing efl university students written performance it is recommended that they should be introduced to the english culture through adding pragmatics and english culture as two separate subject matters to the curricula and to arrange summer courses for the students in english speaking countries uk and us in particular

this series of reports is in a sense a continuation but with a decided expansion of the plan of the english ruling cases as it takes the cases from the british empire instead of from england only but it continues the english ruling cases in the sense that it will include the most important cases from the english courts decided since that series terminated pref
