in this book morland lehmann and karpyn discuss the critical need for healthy food financing programs as a vehicle to improve food access for all americans in my career as a public servant there are very few legislative achievements that i m prouder of than the healthy food financing initiative which started in my home state of pennsylvania the program gained status as a proven and economically sustainable federal program that is helping to improve the quality of life in our neighborhoods by allowing millions access to healthy affordable food congressman dwight evans united states house of representatives pennsylvania district 3 if we work together we can create a healthy food system that is equitable and accessible to all this book highlights the importance of healthy food projects like grocery stores farmers markets co ops and other healthy food retail in revitalizing local communities across the country without basic nourishment kids and families simply won t be successful which is why this book is a must read sam kass president obama s senior nutrition policy advisor and executive director of let s move morland and colleagues new second edition provides an excellent foundation for courses in food policy and community nutrition their detailed review of the economics of local and national food financing will open students minds to the complexity inherent in measuring and interpreting outcomes robert s lawrence md macp founder and former director of the center for a livable future johns hopkins university bloomberg school of public health features describes how disparities in food access formed in the united states includes federal policies and programs aimed at addressing food access in underserved areas including the healthy food financing initiative features examples of state initiatives that address poor access to food retailers provides methods for program evaluation utilizing principals of implementation and dissemination science includes critical thinking questions and embedded videos aimed to generate discussions on how restricted local food environments in the united states are rooted in economic disparities that impact food access as well as housing education and job opportunities

a biographical dictionary of notable living women in the united states of america

hungry for change put the power of food co ops on your plate and grow your local food economy food has become ground zero in our efforts to increase awareness of how our choices impact the world yet while we have begun to transform our communities and dinner plates the most authoritative strand of the food web has received surprisingly little attention the grocery store the epicenter of our food gathering ritual through penetrating analysis and inspiring stories and examples of american and canadian food co ops grocery story makes a compelling case for the transformation of the grocery store aisles as the emerging frontier in the local and good food movements author jon steinman deconstructs the food retail sector and the shadows cast by corporate giants makes the case for food co ops as an alternative shows how co ops spur the creation of local food based economies and enhance low income food access grocery story is for everyone who eats whether you strive to eat more local and sustainable food or are in support of community economic development grocery story will leave you hungry to join the food co op movement in your own community

the new york times bestselling author digs deep into the world of how we shop and how we eat it s a marvelous smart revealing work susan orlean 1 bestselling author in a culture obsessed with food how it looks what it tastes like where it comes from what is good for us there are often more questions than answers ruhlman proposes that the best practices for consuming wisely could be hiding in plain sight in the aisles of your local supermarket using the human story of the family run midwestern chain heinen s as an anchor to this journalistic narrative he dives into the mysterious world of supermarkets and the ways in which we produce consume and distribute food grocery examines how rapidly supermarkets and our food and culture have changed since the days of your friendly neighborhood grocer but rather than waxing nostalgic for the age of mom and pop shops ruhlman seeks to understand how our food needs have shifted since the mid twentieth century and how

these needs mirror our cultural ones a mix of reportage and rant personal history and social commentary grocery is a landmark book from one of our most insightful food writers anyone who has ever walked into a grocery store or who has ever cooked food from a grocery store or who has ever eaten food from a grocery store must read grocery it is food journalism at its best and i m so freakin jealous i didn t write it alton brown television personality if you care about why we eat what we eat and you want to do something about it you need to read this absorbing beautifully written book ruth reichl new york times bestselling author

a deeply curious and evenhanded report on our national appetites the new york times in the tradition of fast food nation and the omnivore s dilemma an extraordinary investigation into the human lives at the heart of the american grocery store the miracle of the supermarket has never been more apparent like the doctors and nurses who care for the sick suddenly the men and women who stock our shelves and operate our warehouses are understood as essential workers providing a quality of life we all too easily take for granted but the sad truth is that the grocery industry has been failing these workers for decades in this page turning expose author benjamin lorr pulls back the curtain on the highly secretive grocery industry combining deep sourcing immersive reporting and sharp often laugh out loud prose lorr leads a wild investigation asking what does it take to run a supermarket how does our food get on the shelves and who suffers for our increasing demands for convenience and efficiency in this journey we learn the secrets of trader joe s success from trader joe himself drive with truckers caught in a job they call sharecropping on wheels break into industrial farms with activists to learn what it takes for a product to earn certification labels like fair trade and free range follow entrepreneurs as they fight for shelf space learning essential tips tricks and traps for any new food business journey with migrants to examine shocking forced labor practices through their eyes the product of five years of research and hundreds of interviews across every level of the business the secret life of groceries is essential reading for those who want to understand our food system delivering powerful social commentary on the inherently american quest for more and compassionate insight into the lives that provide it
