gute wissenschaftler so wird gemeinhin angenommen entstehen allein durch ihre individuelle leistung diese auf einer empirischen untersuchung basierende studie setzt dagegen die these dass leistung nicht unabhängig von der

anerkennung der im wissenschaftlichen feld etablierten akteure als funktionales objektives prinzip existiert sondern innerhalb sozialer prozesse individuell zugeschrieben und hergestellt wird vor diesem hintergrund wird auch die frage beleuchtet wie es dazu kommt dass wesentlich mehr männliche als weibliche aspiranten die akademische karriere fortsetzen der blick richtet sich dabei weder auf subjektive laufbahnen noch auf objektive strukturen untersucht wird vielmehr die alltägliche praxis des wissenschaftlichen feldes die sich im praktischen sinn der illusio der akteure widerspiegelt damit schließt die studie an pierre bourdieus untersuchungen des wissenschaftlichen feldes an und ergänzt diese um neue gesichtspunkte

this volume examines the criteria of excellence producing inequalities of gender in the daily working environment and evaluation of academics policymakers have increasingly placed emphasis on gender equality as part of a strategy for achieving research excellence and efforts to reduce gender bias have become mainstream this book suggests that this goal has remained elusive in practice due to continuing under representation of women across many academic and scientific fields questioning the old structures of male dominance still prevalent in national research policy the book explores the effects of institutional values and practices on the careers of academics particularly the academic identities of women and their career developments it focuses on case studies drawn from europe while also highlighting the rise of new forms of public management and a neoliberal framing of the value of academic work that have a much broader global reach using participatory research the book analyses contemporary forms of gendered excellence in an intersectional and international perspective it will be of interest to junior senior researchers teachers and scholars in sociology education gender studies history political science and science and technology studies
