sex and gender a contemporary reader is a much needed exploration of the relationship between sex gender and gender identity its multidisciplinary approach provides fascinating perspectives from the sciences social sciences and humanities as well as biology neuroscience medicine law sociology and english literature the 15 chapters are original contributions authored by scholars who are leaders in their respective fields this

thought provoking collection offers significant methodological theoretical and empirical insights into one of the most fraught debates in contemporary politics and academia it provides a broad ranging introduction to the issues central to questions about how and why sex matters from a range of disciplinary perspectives drawing out the social political and legal implications questions addressed include is sex binary what is a woman why do we need data on sex also discussed are topics widely debated today such as sports feminism sex and inequality sex based rights puberty suppression criminal justice and gender dysphoria sex and gender a contemporary reader is a timely introduction to contemporary debates on sex and gender it is an accessible text for both general readers and for students of gender issues across a wide range of disciplines including sociology education history philosophy and gender studies

are sex and gender really two different things how malleable is gender identity should we emphasize gender differences these are only some of the questions hilly lipkin addresses regarding one of the most important dimensions of human life since time immemorial stereotypes gender roles and how social relationships function all combine to assign meanings to the male female distinction that affects all aspects of social life taking advantage of the abundance of current research that reevaluates and resituates the major issues of sex and gender the sixth edition collects and distills this scholarship into a book that is readily accessible and relevant to today's readers lipkin incorporates knowledge gained from a range of social sciences taking a critical approach to empirical research throughout the book she emphasizes culturally racially and sexually diverse perspectives a discussion of the role that gender plays in social relationships and power hierarchies illuminates the experience of inequality between men and women in business education politics and the media the ideas presented in sex and gender will raise readers awareness of the issues contributing to that major social problem

on sex and gender focuses on three sequential and consequential questions what is sex as opposed to gender how does sex matter in our everyday lives and how should it be reflected in law and policy all three are front and center in american politics they are included in both of the major parties political platforms they are the subject of ongoing litigation in the federal courts and of highly contentious legislation on capitol hill and they are a pivotal issue in the culture war between left and right playing out on battlegrounds from campuses and school boards to op ed pages and corporate handbooks doriane coleman challenges both sides to chart a new way forward she argues that denying biological sex would have profound and detrimental effects on women's equal opportunity and on the health and welfare of society generally structural sexism needed to be dismantled a true achievement of feminism and an ongoing fight but sex blindness is not the next step forward this book is a clear guide for reasonable

americans on the issue of gender and sex something everyone is terrified to discuss coleman shows equally that the science is settled but there is a middle ground on protecting both women s rights and trans rights she livens her narrative with a sequence of portraits of exceptional human beings who have fought to advance the cause of equality from legal pioneers like myra bradwell and ketanji brown jackson to champion athletes like caster semanya and cate campbell to civil rights giants like ruth bader ginsburg and pauli murray above all coleman reminds us that sex the male and the female body is good for three reasons sex is good for procreation it s good for sexual pleasure and it s good for something in our natural lives to be beautiful

in assessing the current state of feminism and gender studies whether on a theoretical or a practical level it has become increasingly challenging to avoid the conclusion that these fields are in a state of disarray indeed feminist and gender studies discussions are beset with persistent splits and disagreements this reader suggests that returning to and placing centre stage the role of philosophy especially critical realist philosophy of science is invaluable for efforts that seek to overcome or mitigate the uncertainty and acrimony that have resulted from this situation in particular it claims that the dialectical logic that runs through critical realist philosophy is ideally suited to advancing feminist and gender studies discussions about broad ontological and epistemological questions and considerations intersectionality and methodology methods and empirical research by bringing together four new and eight existing writings this reader provides both a focal point for renewed discussions about the potential and actual contributions of critical realist philosophy to feminism and gender studies and a timely contribution to these discussions

this is a comprehensive introduction to sex and gender theories research and issues focusing on social psychological and feminist perspectives the book examines the similarities and differences between women and men where that knowledge comes from and how that knowledge may itself be shaped and limited by cultural perceptions the text is organized into three primary themes part i provides background to stereotypes theories and research part ii is focused on biological and psychological dimensions part iii examines sex and gender in social relationships
