a study of farmers gamble with cotton in vidarbha india by relying on historical research and 12 years of longitudinal study

this is a paperback conversion of a trade title first published in february 2009 at 27 95 it has sold 35 000 copies 38 100 gross currently 2 757 copies are in stock it was a washington post bestseller for a wider perspective on the lessons drawn over the past seven years of the war on terror the reader can do no better than turn to mr kilcullen s excellent book the accidental guerrilla has an anthropologist s sense of social dynamics and a reporter s eye for telling detail if t e lawrence evoked the means of waging irregular warfare in his 1926 classic seven pillars of wisdom mr kilcullen describes the practitioner s art of combating insurgents the economist this book should be required reading for every

american soldier as well as anyone involved in the war on terror kilcullen s central concept of the accidental guerrilla is brilliant and the policy prescriptions that flow from it important and that s not all the book has many more insights drawn from various battlefields fareed zakaria newsweek kilcullen s compelling argument merits wide attention publishers weekly starred review kilcullen s book is about more than the accidental guerrilla it is about a global insurgency and how to deal with it a fine book the new criterion kilcullen s ideas are likely to shape u s policy in iraq and afghanistan for the immediate future laura miller salon com the accidental guerrilla is a master class in counterinsurgency from a man who as much as anyone is responsible for recent successes in iraq the boston globe kilcullen s influence on how the u s military thought about counterinsurgency campaigning cannot be overstated tom ricks author of the gamble there are some standard texts on counterinsurgency the accidental guerrilla is sure to become one the wall street journal this book is essential kilcullen skillfully interprets the future of counterinsurgency the proper use of military force and what we must learn from our losses and mistakes after reading the accidental guerrilla one is left to wonder why the pentagon did not listen to his sage advice back in 2003 new york times book review kilcullen s book is altogether substantial with analyses prescriptions and admonitions derived from the study of islamist violence from england to thailand and more largely from the author s varied personal experiences as an observer combatant and adviser in timor iraq afghanistan and pakistan as well as in the innermost corridors of power both civil and uniformed h e tells many good stories and his analysis is never less than rigorous and also properly set in the relevant political contexts the times literary supplement

how the immigration courts became part of the nation s law enforcement agency and how to reshape them during the trump administration the immigration courts were decried as more politicized enforcement weapon than impartial tribunal yet few people are aware of a fundamental flaw in the system that has long pre dated that administration the immigration courts are not really courts at all but an office of the department of justice the nation s law enforcement agency this original and surprising diagnosis shows how paranoia sparked by world war ii and the war on terror drove the structure of the immigration courts focusing on previously unstudied decisions in the roosevelt and bush administrations the narrative laid out in this book divulges both the human tragedy of our current immigration court system and the human crises that led to its creation moving the reader from understanding to action alison peck offers a lens through which to evaluate contemporary bills and proposals to reform our immigration court system peck provides an accessible legal analysis of recent events to make the case for independent immigration courts proposing that the courts be moved into an independent article i court system as long as the immigration courts remain under the authority of the attorney general the administration of immigration justice will remain a game of political football with people s very lives on the line

at a time when mass shootings in schools and other public spaces have become commonplace it might seem surprising that american college campuses are not magnets for murderers but sanctuaries from them because of remarkably effective gun safe policies deaths by firearms on college campuses are 1 000 times less frequent than in the u s public at large drawing on crime data submitted in compliance with the clery act and public reports of those crimes this study inventories every documented homicide at a u s college or university between 2001 and 2016 making a compelling argument for using gun safe campuses as guides for broader public safety

the accidental library marketer fills a need for library professionals and paraprofessionals who find themselves in an awkward position they need to promote their libraries and services in the age of the internet but they ve never been taught how to do it effectively this results oriented a to z guide by kathy dempsey long time editor of the marketing library services newsletter reveals the missing link between the everyday promotion librarians actually do and the real marketing that s guaranteed to assure funding excite users and build stronger community relationships combining real life examples expert advice and checklists in a reader friendly style the accidental library marketer is the complete how to resource for successful library marketing and promotion cover

a trailblazing activist s passionate and incisive look at why she started a movement to ensure that 26 million americans have access to the ids they need to escape poverty and live healthy and productive lives american identity in crisis weaves together three remarkable stories the making of an activist in the wake of the 2016 presidential election the fight against the onerous rules that are being used to keep vulnerable and targeted populations from participating in all facets of american life from obtaining jobs and housing to going to the polls and how we can solve a problem that impacts millions of american adults kat calvin ties all of these threads together in profound ways in american identity in crisis she takes us on a cross country tour as she and her team uncover one of the biggest secrets in america and learn how to solve it we meet veterans the unhoused and senior citizens and learn the story of the fierce advocate who insists on recognizing their humanity and seeing them as souls who are resilient and striving for change told in a voice that is strong and vulnerable funny and fearless confident and self deprecating american identity in crisis is a defense of human dignity and everyone s right to have access to the pursuit of happiness

why do so many software projects fail the reality is that many of these projects are led by programmers or developers thrown into the role of project manager without the necessary skills or training to see a project through successfully patricia ensworth has written a hands on survival guide designed to rescue the accidental project manager and help them to quickly ramp up on all key areas involved in software project management this book provides a no nonsense jargon free approach to getting the job done with the help of useful templates checklists and sample forms as well as pointers to

essential resources ensworth gives concise easy to understand advice on everything needed to hit the ground running including phases of project development role assignment in the development team the tools of the trade and criteria for success
