nursing theory postmodernism post structuralism and foucault critiques mainstream american nursing theory and its use of post structural theory comparing and contrasting how postmodern and post structural ideas have been used fruitfully in nursing research and theorizing elsewhere in the late 1980s references to post structuralism and michel foucault started to appear in nursing journals since then hundreds of nursing publications have cited postmodernism and key post structural ideas such as power knowledge discourse and de centring the human subject in nursing theory postmodernism post structuralism and foucault olga petrovskaya argues that the application of these ideas is markedly different in american nursing theory scholarship compared to nursing theoretical scholarship generated outside the canon of unique nursing theory analysing relevant literature from the late 1980s through 2010s she demonstrates this difference arguing that american nursing theory calcified into a matrix of dogmas built on logical positivism wary of borrowed

theory and loyal to a unique nursing science post structural ideas that fit the matrix such as criticism of medicine are sanctioned whereas ideas sceptical of humanistic agendas including those that challenge american nursing theory are rendered meaningless in contrast other nurse scholars from britain australia canada and what the author calls the american enclave group engaged with postmodern and post structural perspectives to enrich their research and invite readers to rethink nursing practice the book showcases examples of their intelligent creative theorizing arguing that american nursing theory enervated nursing theorizing petrovskaya calls for opening this matrix to theoretical and methodological creativity less rigid categories of scholarship and healthy self examination making the case that post structural ideas are vital for nurses ability to critically reflect on their discipline and profession this is a necessary read for all those interested in nursing theory philosophy and praxis chapter 1 of this book is available for free in pdf format as open access from the individual product page at routledge com it has been made available under a creative commons attribution non commercial no derivatives 4 0 license

advanced practice nursing is the perfect text for any course that serves as an introduction to the profession it follows the nation nursing accreditation standards and ensures that curriculum is built on professional standards
