ten years ago reading power was launched in an elementary school in vancouver it has since evolved into a recognized approach to comprehension instruction being implemented across canada in the united states united kingdom sweden and china this ground breaking approach showed teachers how to help students think while they read connect question visualize infer and transform since the publication of the first edition of reading power adrienne gear has continued to reflect on and refine her ideas about metacognition comprehension instruction and the reading power strategies this revised and expanded edition shares these new understandings and offers teachers new ideas new lessons and of course new anchor books to support the reading power principles an ideal resource for teachers familiar to this strategic approach to teaching reading or for those looking for new ways to connect thinking with reading

more reading power 3 is enhanced by research based methods and activities for learning vocabulary longer reading passages and new study reading activities including outlining and

text marking prepare students to enter the world of academic reading more reading power s unique process methodology teaches students to view reading as a process the series encourages students to develope a strategiec approach to reading and to view reading in english as a problem solving activity rather than a translation exercies more reading power delivers on that effective process approach with strategies and practice for strengthening comprehension skills building vocabulary increasing reading speed and preparing for testing

help students think while they read in all subject areas with the key skills of connecting questioning visualizing inferring and synthesizing

the new advanced reading power 4 offers a strategic student based approach to the teaching of reading that encourages users to view reading in english as a problem solving activity rather than a translation exercise

its innovative design allows intermediate level students to use four key sections concurrently to become better readers in school college or business

now in a new edition this four level series continues to focus on a unique process methodology encouraging students to develop a strategic approach and begin to view reading in english as a problem solving activity rather than a translation exercise with expanded emphasis on vocabulary acquisition and learning strategies and updated extensive reading sections these new editions help students develop the multiple skills and strategies necessary for success

reading power promotes reading comprehension with a wealth of effective strategies that help students think as they read teachers will learn how to engage students and create powerful opportunities for a more interactive thoughtful reading experience that improves comprehension built around the strategies that proficient readers use or reading powers the book recognizes that teachers are implementing strategies from many sources and offers simple applications that can be incorporated in any classroom the book is organized around five reading strategies or reading powers connect question visualize infer and transform each chapter includes a song or chant to use in the classroom for each power suggestions for introducing each reading power sequential lessons that incorporate teacher modeling guided practice and independent reading ready to copy pages that support the sequential lessons the book uses authentic children s literature and includes ideas for modeling demonstrations encouraging practice and nurturing independent reading extensive lists of children s books organized around grades and reading power with suggestions for assembling classroom book collections are an important part of this practical book
