this is the first comprehensive biography of lavrentii beria stalin s notorious police chief and for many years his most powerful lieutenant beria has long symbolized all the evils of stalinism haunting the public imagination both in the west and in the former soviet union yet because his political opponents expunged his name from public memory after his dramatic arrest and execution in 1953 little has been previously published about his long and tumultuous career

throughout history and across cultures the spy chief has been a leader of the state security apparatus and an essential adviser to heads of state in democracies the spy chief has become a public figure and intelligence activities have been brought under the rule of law in authoritarian regimes however the spy chief was and remains a frightening and opaque figure who exercises secret influence abroad and engages in repression at home this second volume of spy chiefs goes beyond the commonly studied spy chiefs of the united states and the united kingdom to examine leaders from renaissance venice to the soviet union germany india egypt and lebanon in the twentieth century it provides a close up look at intelligence leaders good and bad in the different political contexts of the regimes they served the contributors to the volume try to

answer the following questions how do intelligence leaders operate in these different national institutional and historical contexts what role have they played in the conduct of domestic affairs and international relations how much power have they possessed how have they led their agencies and what qualities make an effective intelligence leader how has their role differed according to the political character of the regime they have served the profiles in this book range from some of the most notorious figures in modern history such as feliks dzerzhinsky and erich mielke to spy chiefs in democratic west germany and india

there are some figures in modern history who stand out not just for their amoral conduct but their cruelty this book explores the life of the notorious beria stalin s henchman the first part provides an outline of the turbulent history of russia from 1900 to 1953 in order to set the background from which beria emerged the second section presents a biography of beria from his youth his early education and his obsequious behaviour towards stalin to his rise to be the head of the nkvd kgb and later to be amongst the most senior leaders of the communist structure in the ussr he was responsible for the deaths of millions and for organising the katyń massacre infamous for murdering colleagues and a sexual predator and became the most feared man in the ussr next to stalin the third and fourth parts move away from history and biography to moral philosophy in order to understand from where such evil conduct arises the question of free will is explored in the light of human insight and these sections also discuss the most recent scientific claims concerning human behaviour as well as the factors which influence people in decision making

this is the first comprehensive biography of molotov and reflects the range of sources that have become available to historians since the fall of the ussr it is a commentary on soviet history molotov played his part in revolution civil war lenin s russia stalin s struggle with the oppositions collectivization industrialization the terror the great patriotic war the beginnings of the cold war and in the khrushchev era

an animated adaptation of the story of the same title by maurice sendak in which a small boy makes a visit to the land of the wild things tells how he tames the creatures and returns home for primary grades

a detailed study of the operations politics culture and autonomy of soviet partisans or guerrillas who fought the german army in wwii blending military political social and cultural history slepyan also provides a prism for viewing relations between the suffocating stalinist state and its independent partisan warriors

documents p 365 405 includes bibliographical references p 345 358 and index

in this revision of their best selling text mackenzie and curran present a succinct updated history from the later imperial tsarist regime to the current russia acclaimed in the field for its clarity comprehensiveness and accuracy the text balances social cultural history with political history through the putin presidency and offers russian as well as post soviet views of russian history

in this revision of their best selling book mackenzie and curran present a clear and objective account of the history of russians and other eastern slavs from its beginnings in ancient rus to the demise of the soviet union and most recently the putin presidency acclaimed in the field for its clarity comprehensiveness and accuracy the text balances social cultural history with political history the authors approach weaves the external geographic determinism of the eurasian school and the organic inner oriented approach of russian historians

analysis of the central role of militarization in the development of state society and economy in the u s s r between the end of the new economic plan in 1926 and the conclusion of the first five year plan in 1933

in the first analysis of the start of the cold war from a soviet viewpoint caroline kennedy pipe draws on russian source material to reach some startling conclusions she challenges the prevailing orthodoxy of western historians to show how moscow saw the presence of us troops in europe in the 1940s and early 1950s as advantageous rather than as a check on soviet ambitions the author points to a complex web of concerns that fuelled moscow's actions and explores how the soviet leadership and stalin in particular responded to american policy she shows how the soviet experience of the united states and europe both before during and after the second world war led moscow to a policy that was not simply fuelled by anti americanism six chapters cover events from the wartime conferences of 1943 until the death of stalin a final chapter places the book in the context of the current debate over the causes of the cold war

a history of russia peoples legends events forces is a comprehensive narrative conceived and developed after the collapse of the former soviet union informed by the burgeoning historiography of the 1990s the text balances political and economic explorations of everyday life social roles cultural dynamics and gender issues many texts on this subject are written from a pre confederation point of view that may be unsuitable for today's classroom this text provides strong coverage of 20th century russia and the u s s r without sacrificing its coverage of earlier historical periods

donald treadgold was one of the most distinguished russian historians of his generation his twentieth century russia a standard text in colleges and universities for several decades has been regularly revised and expanded to reflect new events and scholarship the present revision by professor herbert ellison contains a major chapter on the yeltsin era and brings the russian story to the final year of the century twice in the twentieth century the collapse of the russian state and empire has been followed by an effort to build a democracy on the western model the first effort succumbed within a few months to lenin's communist revolution whose ideas and institutions dominated the history of russia and eventually much of the world during the succeeding seventy four years in august 1991 an attempt by soviet leaders to suppress democratic and nationalist movements unleashed by the gorbachev reforms and already victorious in eastern europe precipitated instead an anti communist revolution under the leadership of boris yeltsin the revolution and the sweeping transformation that followed are treated in the new edition which assesses the aims and scope of the first decade of russia's second revolution the transformation included a new constitutional structure

two fully democratic parliamentary elections and a presidential election with another of each soon to come a vigorous revival of political parties and political debate and major questions about russia s political future against the broad background of the russian experience over a turbulent century it raises the major questions what are the prospects for russian democracy why are the communists following an anti communist revolution the most powerful parliamentary party in russia s new parliament and what is their impact why has the conversion to a market economy proved so difficult and painful and what are its prospects how has russia related to the new states that were once fellow republics of the ussr why has the foreign policy of the new russian democracy moved from a vision of partnership with the us to a reality of conflict and confrontation twentieth century russia poses these questions and many more for the student and the general reader alike against the fascinating background of russia s experience before during and since the era of communist rule exploring the roots of current developments in the communist and pre communist past

this classic work stands as the fullest most comprehensive text available on twentieth century russian history donald treadgold traces the wrenching transformations of russian society in the opening decades of this century marking the emergence of russian marxism from an obscure radical movement and chronicling its success as a vehicle for the seizure and maintenance of political power he then examines the development of the policy and practice of the soviet government over the course of its seventy year history revised and updated to include an account of the countries of the former soviet union since the collapse of communism twentieth century russia presents a seasoned scholar s interpretation of modern russian history although it centers on russia s political changes throughout the century this important work also examines developments in the economy literature arts foreign affairs and religion the eighth edition is revised from beginning to end and attempts to reflect massive public research of recent years it carries the russian epic into 1994 the brezhnev era the gorbachëv interlude the reemergence of nations of the former soviet empire the author adds vital new material to the introduction and provides updated analysis of the prerevolutionary economy and political scene he also gives in depth examinations of the attempted coup of august 1991 boris yeltsin s rise to power and the extraordinarily complex economic and political problems facing post communist russia he concludes with a look into the future evaluating the prospects for russian democracy and economic reforms this newly revised edition of a classic account of russian history is appropriate as the main text for courses on twentieth century russian history or soviet history or as a supplemental text for courses on soviet foreign policy

this book looks at the entire stalin era and includes chapters on ideology politics economic development social change nationalities culture and external relations the final chapter deals with the great terror
