the australia director at human rights watch shares her experiences defending human rights from human trafficking in nepal to the drug war in the philippines to treatment of detainees in papua new guinea and in australia offering an extremely involving personal account of how far we ve come and how far we ve got to go growing up in perth elaine pearson always dreamt of the wider world her british

father and singaporean chinese mother meant that her family extended beyond our shores but it wasn't until later in life that she fully understood how her professional calling might have been influenced by personal history she learned that her beloved maternal grandmother had been sold to an opera troupe as a child to save the family from starvation as soon as she could elaine followed her interest in women's rights and people trafficking interviewing sex workers and victims of trafficking on the streets of bangkok and amsterdam's red light district her experiences in nepal and nigeria profoundly shaped her understanding of how governments and ngos need to protect the rights of victims as well as how poverty corruption and war drive trafficking in the first place elaine's story takes us on a panoramic survey of human rights across the world into the un committee rooms of new york and geneva as well as to the front lines of sri lanka's search for those who disappeared in the country's civil war examining death squad killings on the philippines island of mindanao and the detention of asylum seekers in papua new guinea and her work on the appalling treatment of prisoners many of whom are aboriginal vividly demonstrates that human rights abuses are something that happens at home as well as out in that wider world in exploring human rights abuses and governments failure to address them chasing wrongs and rights sometimes shows humanity at its worst just as often though we see people at their best compassionate resilient determined deeply informative and inspiring elaine pearson's story will leave you understanding how much needs to change and how individuals can make a difference

shows how the united states worked worldwide in 2003 and 2004 to expose and remedy human rights violations and to foster the evolution of vibrant stable democracies

written by psychologists historians and lawyers this handbook demonstrates the central role psychological science plays in addressing some of the world's most pressing problems over 100 experts from around the world work together to supply an integrated history of human rights and psychological science using a rights and strengths based perspective it highlights what psychologists have done to promote human rights and what continues to be done at the united nations with emerging visions for the future uses of psychological theory education evidence based research and best practices the chapters offer advice on how to advance the 2030 global agenda on sustainable development challenging the view that human rights are best understood through a political lens this scholarly collection of essays shows how psychological science may hold the key to nurturing humanitarian values and respect for human dignity

recent years have seen a shift in the international development agenda in the direction of a greater emphasis on rights and democracy while this has brought many positive changes in women's rights and political representation in much of the world these advances were not matched by increases in social justice rising income inequalities coupled with widespread poverty in many countries have been accompanied by record levels of crime and violence meanwhile the global shift in the consensus over the role of the state in welfare provision has in many contexts entailed the down sizing of public services and the re allocation of service delivery to commercial interests charitable groups ngos and households gender justice development and rights reflects on this ambivalent record and on the significance accorded in international development policy to rights and democracy in the post cold war era key items on the contemporary policy agenda neo liberal economic and social policies democracy and multiculturalism are addressed here by leading scholars and regional specialists through theoretical reflections and detailed case studies together they constitute a collection which casts contemporary liberalism in a distinctive light by applying a gender perspective to the analysis of political and policy processes case studies from latin america sub saharan africa middle east east central europe south and south east asia contribute a cross cultural dimension to the analysis of contemporary liberalism the dominant value system in the modern world and how it exists and is resisted in developing and post transition societies

reviews sheila beverly's new workbook rethinking writing one word at a time is a promising tool for helping students who struggle with writing mrs beverly who holds a b a in english and an m ed in reading education has years of experience teaching students to write at first her innovative grammar bubble appears to be a part to whole approach to teaching writing but in truth she uses direct teaching of the eight parts of speech as an entry point a conceptual structure and motivational hook to get hesitant writers to put their ideas down on paper then mrs beverly uses a workshop collaborative model to keep her students writing drafting sharing revising and editing it is obvious that much thinking trying out and improving has gone into the activities described in this workbook it is also obvious from reading the revealing preface that mrs beverly is a committed educator who is passionate about empowering her students to express their voices in print dr darrell morris professor of reading education 2016 2017 distinguished graduate faculty award director of anderson reading clinic department of reading education special education emeritus faculty appalachian state university this workbook containing resources and supplemental activities along with the grammar bubble manipulative

toy games charts and lessons has been divinely orchestrated and blessed adults and children will learn and understand the eight parts of speech and how to utilize this knowledge to become better communicators teachers will benefit tremendously this information will give them a fresh approach on how to introduce writing using the eight parts of speech this hands on approach will help make writing fun and more meaningful linda beverly bs of elementary school education primary reading teacher retired 34 years of experience written communication skills remain a vital asset in our increasing technological world i had the privilege of working with shelia for many years and can attest to her dedication in helping her students written voices to shine on paper her passion now extends to assisting teachers who also recognize the importance of writing shelia beverly s rethinking writing one word at a time provides a framework for teachers to cultivate a community of strong writers and shares engaging activities to help students acquire essential language skills rethinking writing one word at a time is a valuable addition to a teacher s classroom teri g lewis ba english med of reading english department chair retired i wish i had rethinking writing one word at a time eights parts of speech when i was teaching in the classroom finally a workbook that really breaks down grammar and writing in a way that builds and makes sense to the teacher and the learner the grammar bubble manipulative toy games writing prompts and more are great for emerging writers and those who need a writing refresher it is interactive and thought provoking this workbook could benefit anyone who desires to grow in their writing journey by starting with rethinking writing dr renita l webb ph d educational leadership strategist former elementary school principal former middle high school english teacher
