Kenya the beloved is a book written with love the book is about one man's love for his country Kenya it is about his vision and desire to see justice peace and freedom in his country in this book the author Job Ombati tries to remind his fellow countrymen where they have come from he tries to tell a story of their conquest of injustice and their development and progress that they made since independence as he takes you from the day before he shows you how peaceful the country was before the arrival of the colonialist the book describes well how Kenyan people fought the colonialist and won their freedom it tells who was who and how they participated in the struggle Kenya the beloved tells how white men came to Kenya as missionaries visitors and turned to be colonialists it tells how hospitable Kenyans were to have welcomed the visitors without knowing their hidden agenda after realizing that the visitors had ill motives the Africans united against him and started a revolt this revolt did not take one face as many might think it took different people with different approaches to dismantle colonialism completely from Kenya this is an important point that the book raises because many other books have been written pointing to only one movement called Mau Mau as being the only revolt that was used to oust colonialists Kenya the beloved says that that is not entirely true the book also tells what was at stake and why the Africans of Kenya had to fight in wildlife the book tells that animals in Kenya were plenty and beautiful before and after the colonialists he then tells how even these animals fought for freedom like every other Kenyan the book illustrates how well and peaceful the country was before December 27 2007 when it says things fell apart Job does not leave you there stranded as to what to do next he gives you hope Job tells how things can be turned around for the better of all the people he says that even though things have gone terribly wrong people can still rise and mend fences for the future generation above all this book is an historical account of some events and freedom struggle for the people of Kenya this is a book of

hope it is a book that tells vividly the way some people think and the practical way of solving our many problems in the world reading this book raises one's hope and inspires action for the common good of all humanity. Job Ombati believes that if all men can think positive if all men can start acting with love of one another the world will be a better place for all to live in. It is with such kind of thinking that he wrote this small book Kenya the Beloved. It will challenge and inspire you to the end.

describes the challenge for Kenyan teens to balance modern influence and technologies while maintaining their tribal traditions and values. It includes information on the history, the government, school life, family life, the ethnic groups, the traditions, entertainment and recreation, and the agriculture of Kenya.

If you were me and lived in Kenya a child's introduction to culture around the world is back with a brand new expedition. This amazing children's series by Carole P. Roman is heading to Africa focusing on what life could be like for children in another land. This series continues to show the customs and cultures that inhabit our great globe. This entry touches on the many different and interesting aspects of life for children in the country of Kenya from food to a major holiday. Beautiful illustrations help cultivate childhood cultural education.

This book is a contribution to an interpretation of the history of Kenya from the proletarian point of view. The author has attempted to give the reader in a scientific and accessible form the most important and accurate information on the people of Kenya and their history of resistance.

In this book readers will learn about the unique and defining features of Kenya. Vibrant full color photos and carefully leveled text will engage young readers as they learn more about the key details of the country including geography.

climate culture and resources compelling questions encourage further inquiry includes reading tips for teachers and parents a map quick facts a table of contents a glossary and an index
