the events chronicled herein occur after the destruction of reyaz the warlock which was recounted in sacrifice of love a few months of peace were enjoyed by the various supernatural races before an increase in attacks by vampires in the human realm which was recounted in den of sorrows forces the elves fae and werewolves to go to battle once again duty sacrifice service and discipline these were the characteristics that described cyn the warrior fae though love was out of her reach she thought this life was all she needed she had never been more wrong a chance meeting with the prince of the elves turns her carefully structured world upside down thalion is loyal to his people above all else as the prince of the elves it is his duty to protect them his loyalty has never been in question but then he s

never met anyone like cyn before the destiny of both their races may hinge on whether an elf and a fae can overcome their differences and face an uncertain future together

jacque s mind wandered as she hovered somewhere between life and death her body longed to let go to sink into the peaceful abyss to the place where she didn t have to worry about rabid child snatching vampires and the carnage they d caused to so many innocent families but something kept her here tethered to this world something she couldn t quite remember hovered just on the edge of her consciousness something vital it wasn t fane he would be with her on the other side she knew that if she died he died too and he wouldn t have it any other way she could feel peri s presence in her body the fae was fighting expending every ounce of her energy to keep her and fane alive and the strain was taking its toll on the fae but why why was the fae fighting as if her own life depended upon jacque s survival jacque was starting to remember someone else someone that depended on her a brand new life precious and perfect her son costin s best friend lay as if sleeping clinging to life by a mere thread held at the other end by the powerful fae but the thread holding costin to his own sanity was just as feeble sally his world his light his brown eyes the only thing that keeps the darkness at bay was gone simply vanished costin didn t know how or where and it was tearing him up inside the young boy titus his adopted son was the only thing that kept his wolf from taking over completely costin would be strong for the boy for as long as he could but he wasn t sure how long he could keep the feral would at bay bethany the brave young girl that had been rescued from the clutches of the vampire coven to which she d served as food for the past seven years was now sharing a room with her true mate with absolutely no understanding of what that meant though the girl had proven to be resilient she had no idea how to handle her the huge dominating werewolf that had staked his claim on her drake was past the point of feral when he d found her and that kind of darkness doesn t let go without a fight the strongest of alpha females raised with a full understanding of pack law and the power of the mate bond would have had a tough time dealing with the wolf bethany a dormant who

had no idea who or what she was didn't stand a chance

jennifer adams best friend to jacque pierce and sally morgan spicy outspoken a little crazy and human or so she thought jen has just found out that human dna is not the only thing that resides in her veins she happens to share that little pesky werewolf gene although it isn't more than just a drop now that she and her friends are living in romania with fane's pack she is also oh so conveniently stuck with the object of her affection the fur ball decebel drawn to each other by something they don't understand jen finds herself frustrated by the lack of mating signs between her and said fur ball not only is she dealing with that not so unfrustrating problem she now has been informed that because of that little drop of werewolf blood in her she is now required to attend a multi pack gathering for unmated wolves this type of gathering hasn't taken place in over a century but with a shortage of females among the werewolf population the males are getting worried they won't ever find their true

mates meanwhile Decebel struggles with the emotions he is feeling towards Jen he tries to keep his distance but there is just something about the mouthy blonde that keeps him coming back for more of her verbal abuse that he just can't seem to get enough of go figure

We've watched the Romanian Grey Wolves find their true mates fight against evil and reunite with the other Canis Lupis in the world now we will see just how the most powerful alpha in their history met his match with the woman who became his mate and helped him become the man he needed to be in order to lead every life leaves behind a legacy every story has a beginning and an end the alpha of the Romania Grey Wolves knows this better than most he also knows it's the things that transpire to create that legacy and the experiences triumphs and failures that happen in the middle of the story that matter his story began a century ago and now a tragedy has led him to his rightful place as alpha of the Eastern Romania pack before he led hundreds he had to learn to lead a few before he sacrificed for all he had to be willing to sacrifice for any before he could be the man destined to save his race he had to be willing to serve them in order to be raised up he had to first be torn down there was only one who could do this and live only one who could light his way when the darkness closed in his mate his Luna this is the building of their legacy the middle of their story their triumphs their failures and their tragedy's that would one day make them strong enough to restore a race torn apart by greed envy and fear
