a photographic story of a life cover

most previous biographers of thomas more have sought to prove him a saint in this the first full scale biography of more in half a century richard marius a leading reformation historian seeks to restore the man more s life spanned a tumultuous period in western history he was born in 1478 into a society still medieval in its customs and laws but by the time of his death in 1535 england was already shaken to its depths by the powerful and unsettling ideas of the renaissance marius draws upon important recent research and his profound knowledge of more s own voluminous writing to make a coherent whole of the life and work of the immensely complex man who was both a product of the times and a singular figure in them he gives us more the boy his london childhood he deep respect for his father who rose from a tradesman s

background to become a judge of the highest court in the land a council of fathers was to rule more s kingdom of utopia more the youth sent at about age twelve to serve in the household of the powerful and political bishop morton later struggling to choose between the priesthood and the lures of secular life marriage and a career in the great world more the londoner the city man lawyer graduate of the inns of court member of the rising middle class with its drive for an achievement and position we see more the humanist man of letter as marius treats in full his friendship with erasmus his now controversial history of richard iii from which shakespeare s richard derives and the originals and meanings of his most famous work utopia more the family man is reveal in his relationship with his father his two wives and his children as far more complex than the sanctified image of legend marius explore more s public career as lord chancellor as champion of the catholic church and finally as martyr to the old faith he shows us a man who although he hated and feared tyrants always believes that authority as a source of order was necessary to the public good a man who as royal councilor and lord chancellor upheld his king until the very moment when in response to henry s final tyranny he chose to die the king s good servant but god s first marius also demonstrates that it was the centuries old authority of the catholic church that more revered that he was as suspicious of paper supremacy as of any tyranny the man marius ultimately reveals is one more passionate and driven in his family life his convictions his persecution of heretics than the serene hero of a man for all seasons but he is also a man possessed of such wit integrity and charm that he was loved not only by his family but by almost everyone who knew him it is the special triumph of this biography that with its rare combination of impeccable scholarship and narrative power we are brought into the presence of a whole person with all his flaws and virtues and that by the time more meets his death he has become familiar and important to us not merely as a historical figure but also as a human being

this biography part of the acclaimed library of religious biography treats the religious significance of thomas jefferson first by examining jefferson s steady dedication to the cause of religious liberty and second by exploring jefferson s private effort to reform the nature of religion

an ambitious perceptive portrayal of a complex man this bestselling biography breaks new ground in its exploration of jefferson s inner life brodie has humanized jefferson without in the least diminishing him wallace stegner photos

peter ackroyd s the life of thomas more is a masterful reconstruction of the life and imagination of one of the most remarkable figures of history thomas more

1478 1535 was a renowned statesman the author of a political fantasy that gave a name to a literary genre and a worldview utopia and most famously a catholic martyr and saint born into the professional classes thomas more applied his formidable intellect and well placed connections to become the most powerful man in england second only to the king as much a work of history as a biography the life of thomas more gives an unmatched portrait of the everyday religious and intellectual life of the early sixteenth century in ackroyd s hands this renowned man for all seasons emerges in the fullness of his complex humanity we see the unexpected side of his character such as his preference for bawdy humor as well as his indisputable moral courage

thomas berry 1914 2009 was one of the twentieth century s most prescient and profound thinkers the first biography of berry this book illuminates his remarkable vision and its continuing relevance for achieving transformative social change and environmental renewal

watson biography

thomas berry 1914 2009 was one of the twentieth century s most prescient and profound thinkers the first biography of berry this book illuminates his remarkable vision and its continuing relevance for achieving transformative social change and environmental renewal

this is a reproduction of a book published before 1923 this book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process we believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide we appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book

long considered a classic benjamin p thomas s abraham lincoln a biography takes an incisive look at one of american history s greatest figures originally published in 1952 to wide acclaim this eloquent account rises above previously romanticized depictions of the sixteenth president to reveal the real lincoln a complex shrewd and dynamic individual whose exceptional life has long intrigued the public thomas traces the president from his hardscrabble beginnings and early political career through his years as an illinois lawyer and his presidency during the civil war although lincoln is appropriately placed against the backdrop of the dramatic times in which he lived the author s true focus is on lincoln the

man and his intricate personality while thomas pays tribute to lincoln s many virtues and accomplishments he is careful not to dramatize a persona already larger than life in the american imagination instead he presents a candid and balanced representation that provides compelling insight into lincoln s true character and the elements that forged him into an extraordinary leader thomas portrays lincoln as a man whose conviction resourcefulness and inner strength enabled him to lead the nation through the most violent crossroads in its history thomas s direct readable narrative is concise while losing none of the crucial details of lincoln s remarkable life the volume s clarity of style makes it accessible to beginners but it is complex and nuanced enough to interest longtime lincoln scholars after more than half a century abraham lincoln a biography is still an essential source for anyone interested in learning more about the many facets of the sixteenth president and it remains the definitive single volume work on the life of an american legend

in this marvel of compression and comprehension we see jefferson more clearly than in the massive studies of earlier generations more important we see in jefferson s visionary ideas the birth of the nation s grand sense of purpose

this portrait is intended in a phrase of erasmus to provide not so much a picture as an outline sketch of the character and career of a man long held in high esteem by englishmen such originality as it may claim therefore reposes in interpretation and emphasis my aim is to present a reliable introduction to a vast subject where others have written with greater authority to whom i am indebted

preface

the fascinating story of the man who created thomas the tank engine and friends

themes hi lo graphic novels illustrated biography fast paced and easy to read these softcover 25 page graphic biographies teach students about historical figures those who lead us into new territory pursued scientific discoveries battled injustice and prejudice and broke down creative and artistic barriers these biographies offer a variety of rich primary and secondary source material to support teaching to the standards using the graphics students can activate prior knowledge bridge what they already know with what they have yet to learn graphically illustrated biographies also teach inference skills character development dialogue transitions and drawing conclusions graphic biographies in the classroom provide an intervention with proven success for the struggling reader
