based on a play by lillian hellman the children s hour 1961 was the first mainstream commercial american film to feature a lesbian character in a leading role it centres on a teacher at a girls school shirley maclaine who is accused of harbouring feelings for her co worker audrey hepburn and depicts the intense moral panic that ensues produced in the social climate of the lavender scare the film reveals deep insights into the politics of sexuality and censorship in midcentury america only a few years before more visible struggles for queer liberation the director william wyler lobbied hard to get the film made after an earlier straight washed version in 1936 the tense road to production included debates about whether to eliminate mentions of lesbianism from the script and how implicitly queer subject matter might conflict with the production code by then weakened but still in force julia erhart s reading of the film s conception production and reception advances a nuanced case of censorship as a productive force while contests between hellman and wyler suppressed scenes of overt affection between main characters karen and martha reception was comparatively fixated on the characters lesbianism it threatened middlebrow movie critics in the mainstream press and resonated with queer audiences erhart s attentive interpretation of both the script and the sonic landscape yields a detailed analysis of the soundtrack as an original pro lesbian element as issues of queer censorship continue to permeate life and culture more than fifty years later erhart demonstrates that the children s hour is as salient to social and political tensions around gender and sexuality today as it was in the 1960s

eliciting children s full potential is an excellent resource for the recreation of high quality programs for young children ages three to eight that helps readers to develop a deeper understanding of the cognitive developmental model including how it is like and unlike other child centered models and how it links theory with classroom practice design and implement programs from a cross cultural inclusionary perspective providing intellectual challenge stimulating creative thinking and strengthening children s social cognition and engage in continuous professional growth through a process of positive self and peer evaluation the book also contains classroom vignettes drawn from a wide range of environments a system for classroom observation and classroom evaluation instruments
