a brilliantly illuminating portrait of the twenty first century west a book as vast diverse and unexpected as the land and the people from one of our foremost chroniclers of migration the economic boom and the devastation left in its wake has been writ nowhere as large as on the west the most iconic of american landscapes over the last decade the west has undergone a political and demographic upheaval comparable only to the opening of the frontier now in desert america a work of powerful reportage and memoir rubén martínez acclaimed author of crossing over evokes a new world of extremes outrageous wealth and devastating poverty sublime beauty and ecological ruin in northern new mexico an epidemic of drug addiction flourishes in the shadow of some of the country s richest zip codes in joshua tree california gentrification displaces people and history in marfa texas an exclusive enclave triggers a race war near the banks of the rio grande and on the tohono o odham reservation native americans hunt down mexican migrants crossing the most desolate stretch of the border with each desert story martínez explores his own encounter with the west and his love for this most contested region in the process he reveals that the great frontier is now a harbinger of the vast disparities that are redefining the very idea of america

desert america territory of paradox is a survey of the extreme uses and activities that take place in the area roughly encompassing nevada utah new mexico arizona and sections of california and texas through photography and text personal experience and history we explore an alternate american desert one of promise and failure inflated to magnificent proportions in a region typically considered barren and empty we investigate the phenomena that reveal the desert as a place that is in fact teeming with activity

seven books work in tandem to demonstrate how the desert is an epic territory of extreme conditions that generate severe and often monumental reactions constructions and outcomes these books trace a parabola that begins with the idea of the desert as the vacant desired territory of history the destination of past and present stories of american exodus the chapters next rise through an arc of increasing colonization examining the infrastructure projects that made the desert inhabitable as well as the technologies and ambitions that encouraged occupation growth and fortification our journey through this fascinating landscape is completed as we return to the image of the desert as a territory of the empty and sublime an image now conditioned by all that we have just witnessed book jacket

stories from prehistoric times to the future about land our abuse of the land and the impact on the people who come after

for his brilliant reportage ranging from the forested recesses of the amazon to the manicured lawns of westchester county new york alex shoumatoff has won acclaim as one of our most perceptive guides to the oddest corners of the earth now with this book he takes us on a kaleidoscopic journey into the most complex and myth laden region of the american landscape and imagination in this amazing narrative shoumatoff records his quest to capture the vast multiplicity of the american southwest beginning with his first trip after college across the desert in a station wagon some twenty five years ago he surveys the boundless variety of people and experiences constituting the place the idea that has become america s symbol and last redoubt of the other from the biosphere to the mormons from the deadly world of narcotraffickers to the secret lives of the covertly jewish conversos shoumatoff explores the many alternative states of being who have staked their claim in the southwest making it a haven for every brand of refugee fugitive and utopian and as he ventures across time and space blending many genres history anthropology natural science to name only a few he brings us a wealth of information on chile addiction the diffusion of horses the formation of the deserts and mountain ranges the struggles of the navajo to preserve their culture and countless other aspects of this place we think we know full of profound sympathy and unique insights legends of the

american desert is a superbly rich epic of fact and reflection destined to take its place among such classics of regional portraiture as ian frazier s great plains alex shoumatoff has created an exuberant celebration of a singularly american reality

this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

in scenes in america deserta reynier banham steps aside from his familiar role as an architectural historian and confesses himself a delighted intrigued but puzzled visitor to the arid lands of the american southwest what delights banham most is visual pleasure and this book is first and foremost a celebration of the pure visual response of a four wheeled voyeur what intrigues him is the works of man the ancient pueblos and the modern observatories the fantasies of las vegas and the spanish missions frank lloyd wright and paolo soleri what puzzles him is his response as the archetypal british tourist the discovery that the desert is beautiful in his eyes in a way that no other landscape has ever been this unsettling discovery sends banham on a search for the roots of this response he seeks explanations in the works of writers is various as gaston bachelard joan didion ray bradbury early historians and explorers the american solitary and aesthete john van dyke author of the classic the desert and charles doughty the english arabist author of travels in arabia deserta

a slow change in outlook dominates the book as attitudes shift from viewing the desert as a place of sanctity then a land to be despised or exploited and back to an appreciation of it as a special place an arena of highly complex natural communities and a wild refuge for the human body and soul

a man is beheaded in an auto accident and after his head is sloppily sewed back onto his body by the undertaker he comes back alive and sits up in his coffin at his funeral
