first published in 2006 and now with over 10 000 copies sold this award winning book on the worldwide history of the chainsaw will captivate all gadget fanciers even if they've never had a chainsaw in their hands

gender history across epistemologies offers broad range of innovative approaches to gender history the essays reveal how historians of gender are crossing boundaries disciplinary methodological and national to explore new opportunities for viewing gender as a category of historical analysis essays present epistemological and theoretical debates central in gender history over the past two decades contributions within this volume to the work on gender history are approached from a wide range of disciplinary locations and approaches the volume demonstrates that recent approaches to gender history suggest surprising crossovers and even the discovery of common grounds

this is an account of the swan label's first thirty years written in chronological order with short chapters each illustrating various aspects of the scheme there are few areas of public life in which there have been so many vague pronouncements as for environmental protection perhaps that's because it's so easy to agree on the goals but so hard to find the right solutions and practise what you preach here at the nordic swan we've done things properly from day one by setting concrete measurable environmental performance requirements and turning the environment into a competitive advantage there have been many conflicts and disagreements but no one can deny that ecolabelling has led to significant environmental improvements the nordic region with its 30 million people is the world's twelfth largest economy and this makes a difference when businesses plan product changes and marketing campaigns the label is a success far beyond the borders of the nordic region

the crescenta valley is a typical suburb of the metropolis of los angeles containing residential neighborhoods nestled in chaparral covered hills but hidden in these typical neighborhoods are remnants of an atypical past a past made up of hollywood legends prohibition era bootleggers and pioneers in women's rights crescenta valley history hidden in plain sight tells the stories behind six places in the community that residents pass by every day with no idea of the amazing events that took place there six innocuous locations with impressive histories a little shack behind an apartment that was once the home of john steinbeck the overgrown ruins of a former speakeasy an abandoned sanitarium that once housed aging hollywood stars and now houses their ghosts a mystical religious sanctuary run entirely by women a former resort and olympic training site buried deep under a suburban shopping mall and a park created by professional baseball players and movie stars all these sites are right here in your neighborhood you'll never look at the crescenta valley the same way again
