die erlösrealisierung ist eine der wichtigsten aufgaben für unternehmen wirtschaftsprüfer standardsetter und eigentlich für jeden einzelnen globale märkte sind schnelllebig wachsende technik schnelligkeit der finanziellen innovationen und die zunehmende komplexität der geschäfte in nahezu jeder branche haben die rechnungslegung von unternehmen sehr schwer gemacht der bestehende ias 18 standard hat lücken diese lücken lassen viel raum für ein urteil in der vorbereitung der resultate und ermöglichen unternehmen den umsatz frühzeitig zu manipulieren in dieser arbeit wird untersucht ob zeitliche differenzen in der erlösrealisierung die gemeldeten einnahmen beeinflussen außerdem wird ein aspekt des international accounting standards besichtigt ob es eventuell die erlösmanipulation ermöglicht auch wenn die frühzeitige erlösrealisierung in einigen literaturen als betrug akzeptiert wird wird in dieser arbeit erläutert dass es innerhalb der ias 18 grenzen liegt diese lücken lassen viel raum für interpretationen so dass es unmöglich ist zu beurteilen ob einige methoden der umsatzrealisierung absolut richtig oder falsch sind daher zählt die vorzeitige erlösrealisierung eher nicht zur illegalen buchführung denn es gehört zu den sogenannten grauen zonen der rechnungslegung revenue recognition has been one of the most important issues for companies accountants standard setters and actually for every individual global markets are moving fast growing technology rapidity of financial innovations and increasing complexity of business transactions in virtually every sector have made the financial reporting of companies very difficult the existing standard ias 18 has gaps those gaps leave much room for judgment in the preparation of accounts and it enables firms to manipulate revenue by recognizing it early in this thesis i examined whether timing differences in revenue recognition affect the reported revenue furthermore i inspected whether there is any aspect of the international accounting standards which might motivate or provide opportunities for revenue manipulation based on my research even if premature revenue recognition is accepted as fraud in some literatures i believe that it lies within the boundaries of ias 18 because ias 18 does not cover every

possibility in which revenue recognition can be applied and this creates regulation gaps those gaps leave plenty of room for interpretation making it impossible to judge whether some methods of revenue recognition are absolutely right or wrong therefore premature revenue recognition does not have to be illegal accounting because it belongs to the so called grey areas of accounting

companies with multinational activities and funding are increasingly attached to the possibility of preparing financial statements in accordance to international accounting standards rather than national standards this text aims to provide support for accountants on preparing financial statements in accordance with international accounting standards by giving concise and practical advice it should assist readers in understanding the theory of international accounting standards and how to apply them

this text presents accounting from the perspective of the essential activities of business operating investing and financing users will see accounting as it is in the real world an essential component of the management function and decision making process

this bestseller has powered the careers of countless professionals this update to the 11th edition builds on the book's reputation for comprehensiveness accuracy and currency incorporating all the recent changes to the accounting literature it integrates numerous examples from real corporations throughout the chapters to help readers understand the application of accounting principles and techniques in practice they'll also find problems that are modeled on the aicpa simulations a new question format designed for the computerized uniform cpa exam these problems prepare readers for the exam testing their ability to read digest research and respond to both a numeric problem and a short answer essay this edition does not include the problem solving survival guide
