winner of the midland authors award for history longlisted for the andrew carnegie medal for excellence a new yorker best book of the year the illuminating new yorker story of the great chicago fire a raging inferno a harrowing fight for survival and the struggle for the soul of a city told with the the clarity and tension of a well wrought military narrative wall street journal in the fall of 1871 chicagoans knew they were due for the big one a massive uncontrollable fire that would decimate the city it had been bone dry for months and a recent string of blazes had nearly outstripped the fire department s already scant resources then on october 8 a minor fire broke out in the barn of irishwoman kate leary a series of unfortunate mishaps and misunderstandings along with insufficient preparation and a high south westerly wind combined to set the stage for an unmitigated catastrophe the conflagration that spread from the learys property quickly overtook the neighborhood and before long the floating embers had been cast to the far reaches of the city nothing to the northeast was safe families took to the streets with every possession they could carry powerful gusts whipped the flames into a terrifying firestorm the chicago river boiled over the next forty eight hours chicago fell victim to the largest and most destructive natural disaster the united states had yet endured the effects of the great fire were devastating but they were also transforming out of the ashes faster than seemed possible rose new homes tenements hotels and civic buildings as well as a new political order the elite seized the reconstruction to crack down on vice control the disbursement of vast charitable funds and rebuild the city in their image but the city s working class recognized only a naked power grab that would challenge their traditions hurt their chances to keep their hard earned property and move power out of the hands of elected officials and into private interests as soon as the battle

against the fire ended another battle for the future of the city erupted between its entrenched business establishment and its poor and immigrant laborers and shopkeepers an enrapturing account of the fire's inexorable march and an eye opening look at its aftermath the burning of the world tells the story of one of the most infamous calamities in history and the new chicago it precipitated a disaster that still shapes american cities to this day

a definitive chronicle of the 1871 chicago fire as remembered by those who experienced it from the author of *chicago and the american literary imagination* over three days in october 1871 much of chicago illinois was destroyed by one of the most legendary urban fires in history incorporated as a city in 1837 chicago had grown at a breathtaking pace in the intervening decades and much of the hastily built city was made of wood starting in catherine and patrick o'leary's barn the fire quickly grew out of control twice jumping branches of the chicago river on its relentless path through the city's three divisions while the death toll was miraculously low nearly a third of chicago residents were left homeless and more were instantly unemployed this popular history of the great chicago fire approaches the subject through the memories of those who experienced it chicago historian carl smith builds the story around memorable characters both known to history and unknown including the likes of general philip sheridan and robert todd lincoln smith chronicles the city's rapid growth and its place in america's post civil war expansion the dramatic story of the fire revealing human nature in all its guises became one of equally remarkable renewal as chicago quickly rose back up from the ashes thanks to local determination and the world's generosity as we approach the fire's 150th anniversary carl smith's compelling narrative at last gives this epic event its full and proper place in our national chronicle the best book ever written about the fire a work of deep scholarship by carl smith that reads with the forceful narrative of a fine novel it puts the fire and its aftermath in historical political and social context it's a revelatory pleasure to read *chicago tribune*

journey back through time to relive events that shaped the chicago metropolitan area and contributed to its world class reputation *chicago days* is a collection of 150 essays and 500 dramatic photographs compiled from the voluminous files of the *chicago tribune* the *chicago historical society* and other important collections

on november 14 1885 a cold autumn day in the city of broad shoulders an enthusiastic crowd of several hundred watched as three sicilians giovanni azari agostino gelardi and ignazio silvestri were hanged in the courtyard of the cook county jail the three had only recently come to the city but not long after they were arrested tried and convicted for murdering filippo caruso stuffing his body into a trunk and shipping it to pittsburgh historian and legal expert elizabeth dale brings the trunk murder case vividly back to life painting an indelible portrait of nineteenth

century chicago ethnic life there and a murder trial gone seriously awry along the way she reveals a windy city teeming with street peddlers crooked cops earnest reformers and legal activists all of whom play a part in this gripping tale the chicago trunk murder shows how the defendants in the case were arrested on dubious evidence and held some for weeks without access to lawyers or friends the accused finally confessed after being interrogated repeatedly by men who did not speak their language they were then tried before a judge who had his own view and ruled accordingly the chicago trunk murder revisits these abject breaches of justice and uses them to consider much larger problems in late nineteenth century criminal law written with a storyteller s flair for narrative and brimming with historical detail this book will be must reading for true crime buffs and aficionados of chicago lore alike
