Packed with lessons, sample texts, and strategies, this book helps teachers use ELL students' personal experiences to improve their oral language, reading comprehension, and writing skills.

Teaching content to English language learners by Jodi Reiss shows content area teachers how to transform second language learning theories into useful tools for ensuring the success of their ELL students. The book's three parts present easy-to-incorporate techniques to make content more accessible, strengthen vocabulary, and increase student participation. The book offers practical strategies for building on common classroom techniques and activities to increase teaching effectiveness for language learning students, techniques to recognize cultural differences, develop alternative assessments, and adapt written assignments and oral language for ELLs. Abundant models, graphics, and authentic examples show how to help students build content area fluency as well as general language skills.

Cary takes on the big questions in working with English language learners; he answers them with examples drawn from actual classes that demonstrate outstanding ELL practices. Coaching commentary highlights key teaching strategies and ties together theory and practice. Professional reflection questions and action items, new to the second edition, encourage strong responsive ELL practices. Also included are updated and expanded lists of teacher resources, ELL references, and acronyms. New samples of student work, helpful tools, templates, and self-assessment rubrics for teachers are also included.
