sustaining and strengthening local livelihoods is one of the most fundamental challenges faced by post conflict countries by degrading the natural resources that are essential to livelihoods and by significantly hindering access to those resources conflict can wreak havoc on the ability of war torn populations to survive and recover this book explores how natural resource management initiatives in more than twenty countries and territories have supported livelihoods and facilitated post conflict peacebuilding case studies and analyses identify lessons and opportunities for the more effective design of interventions to support the livelihoods that depend on natural resources from land to agriculture forestry fisheries and protected areas the book also explores larger questions about how to structure livelihoods assistance as part of a coherent integrated approach to post conflict redevelopment livelihoods and natural resources in post conflict peacebuilding is part of a global initiative to identify and analyze lessons in post conflict peacebuilding and natural resource management the project has generated six books of case studies and analyses with contributions from practitioners policy makers and researchers other books in this series address high value resources land water assessing and restoring natural resources and governance

by introducing the four key areas covering both medical and environmental health protection namely climate change communicable disease emergency and environmental health and supplemented with appropriate examples this book aims to help strengthen regional subnational national and global health protection

this guidance provides a clear and practical introduction to the challenges faced in working in situations of forced displacement and provides guidance to donor staff seeking to mainstream responses to forced displacement into development planning and co operation

this peer review shows that germany invests in fair and sustainable globalisation and a rules based multilateral order it provided 0.73 of its national income as official development assistance in 2020 the country is adjusting its engagement with africa and reforming the way it delivers development co operation

the size and scope of the global forced migration crisis are unprecedented almost 66 million people worldwide have been forced from home by conflict if recent trends continue this figure could increase to between 180 and 320 million people by 2030 this global crisis already poses serious challenges to economic growth and risks to stability and national security as well as an enormous human toll affecting tens of millions of people these issues are on track to get worse without significant course correction soon the forced migration issues confronted today will seem simple decades from now yet efforts to confront the crisis continue to be reactive in addressing these and other core issues the united states should broaden the scope of its efforts beyond the tactical and reactive to see the world through a more strategic lens colored by the challenges posed and opportunities created by the forced migration crisis at home and abroad csis convened a diverse task force in 2017 to study the global forced migration crisis this report is a result of those findings

the undp crisis prevention and recovery report 2008 titled post conflict economic recovery enabling local ingenuity is a comprehensive analysis focusing on three critical factors the importance of local ingenuity to guide recovery the state's role in promoting this ingenuity and the policies needed to rebuild battered economies and reduce the risk of conflict recurrence the study cites examples of countries that have succeeded in rekindling post conflict economies and those that continue to flounder discussing the foundations that are so vital to foster post conflict economic recovery

in our progressively changing environment it is of crucial importance to deepen our understanding of peace between people and how leadership can enhance that by leading for peace this book proposes a useful framework for all leaders including business political leaders and peace developers on how to attain peace between people the book is presented in four sections 1 peace leadership in perspective discussions on the nature and meaning of peace leadership important building blocks for peace leadership emotional social and communal intelligence and a peace leadership in action model which forms the basis of the book 2 implementation strategies focus on lead self lead with others and lead communities lead self includes leading peace through self others and the community the role of wisdom and spirituality in leading self and others and individual social and cultural inertia preventing humanity from attaining peace lead others includes leadership theories which support peace leadership the improvement of cultural intelligence amongst peace leaders and women's role in peace building lead communities includes peace leadership in the public and private sectors healthcare for the vulnerable and its meaning and contribution towards peace leadership and working from helplessness to serving the community 3 tools and initiatives to become a highly effective peace leader including information and communication technological innovations for peace leaders and sport as a tool for peace building 4 concluding thoughts concluding thoughts are given with the emphasis on what we have learned and looking ahead this editorial book provides a significant contribution within the emerging peace leadership discipline as the international community non governmental organisations and the public and private sectors struggle to formulate sustainable peace initiatives at the tribal local and communal societal level

canada and germany are among the largest contributors to the international mission in afghanistan with troops in different parts of the country fulfilling different roles canada's higher ratio of combat to development work is reflected in a higher rate of casualties canadians have sometimes joined in criticisms of germany and other european allies for their unwillingness to take on riskier military tasks in afghanistan's southern and eastern provinces some germans in turn have chided canada for stressing war fighting at the expense of approaches more centred on development this canadian german dialogue reflects a larger debate both operational and existential within nato concerning afghanistan and the future of the alliance this collection of essays by leading german and canadian experts assesses the present state and future prospects of the afghanistan mission both to advance the dialogue and to suggest better approaches to the policy questions that continue to confront the alliance contributors include michael brzoska institute for peace research and security policy mike capstick canadian forces ret university of calgary mihai carp nato andrea charron royal military college rainer glassner university of duisburg essen david haglund queen's university roland kaestner leadership academy of the german armed forces florian k hn helmut schmidt university of the german armed forces janet kursawe german institute of global and area studies david law centre for democratic control of armed forces
