drawing on the insights of artists philosophers anthropologists and other unusual sources this first
look inside the successful japanese company addresses not just the question of how do we make
good responsible products but the very basic questions that nag at us as we try to figure out the
moral center the purpose of our everyday work

in this age of migration more and more children are growing up in immigrant or transnational families
the new second generation refers to foreign born and native born children of immigrants who have
come of age at the turn of the twenty first century this book is about this new generation in the world
s largest host country of international migration the united states recognizing that immigration is an
intergenerational phenomenon and one that is always evolving the authors begin by asking do
members of the new second generation follow the same pathways taken by the old second
generation they consider the relevance of assimilation approaches to understanding the lived
experiences of the new second generation and show that the demographic characteristics of today s
immigrant groups and changing social economic and cultural contexts require new thinking and

paradigms ultimately the book offers a view of how american society is shaping the life chances of members of this new second generation and how today s second generation in turn is shaping a new america designed as a rich overview for general readers and students and as a concise summary for scholars this book will be an essential work for all interested in contemporary issues of race ethnicity and migration provided by publisher
