this book examines why when the conflict in eastern ukraine began in 2014 fighting broke out in the donets k region whereas it did not in kharkiv city despite the city like the donets k region being geographically proximate to russia and similar in ethnic and

linguistic make up based on extensive original research the book argues that a key factor was the nature and behaviour of local elites with those in kharkiv having diffuse ties to the centre and therefore being more capable of adapting to sudden profound regime change at the centre whereas the elites in the donets k region had much more concentrated ties to the centre were dependent on one network and therefore were much less able to cope with change the book thereby demonstrates how crucial for ukraine are patronal politics patronage networks and informal centre region relations and that it was these local political circumstances rather than russia which brought about the conflict

in this book the author examines the illegal wildlife trade from multiple perspectives the historical context the impact on the environment the scope of the problem internationally the sociocultural demand for illegal products the legal efforts to combat it and several case studies from inside the trade the illegal wildlife trade has become a global criminal enterprise following in the footsteps of drugs and weapons beyond the environmental impact financial profits from the illegal wildlife trade often fund organized crime groups and violent gangs that threaten public safety and security in myriad ways this innovative volume covers several key questions surrounding the wildlife trade why is there a demand for illegal wildlife products which actors are involved in the trade how is the business organized and what are the harmful consequences the author performed ethnographic fieldwork in three key markets russia morocco and china and has constructed a detailed picture of how the wildlife trade operates in these areas conversations with informants directly involved in the illegal business ensure unique insights into this lively black market in the course of his journey the author follows the route of the illegal wildlife trade from poor poaching areas to rich business districts where corrupt officials legally registered companies wildlife farms and sophisticated criminal organizations all have a share a fascinating look inside the world of poachers smugglers and traders

when europeans first settled in australia the land withheld many of its secrets from these new arrivals there were broad rivers wide plains and tall forests all of which to european eyes suggested promising sites for settlement however to many of the new settlers the first australians the aboriginal people were a puzzle they moved freely through the country they knew intimately

what few settlers realized then was that the aboriginal people and the land they lived in were indistinguishable invisible country describes the environmental changes that have occurred in southwestern australia since european settlement through four case studies of the development of local rivers forests and coastal plains these stories compiled through extensive conversations with farmers ecologists traditional owners and others who rely on the land are book ended by an examination of the historical perspective in which these changes have occurred it is a reminder that the land owns the people not the other way around and this is the beginning of a conversation about understanding and caring for the land that all australians are fortunate to live in librarians ebook available subject australian studies environmental studies history

the first full telling of what happened to mh17 and the stories of those who were killed on that tragic day on 17 july 2014 malaysian airlines mh17 was shot out of the sky above ukraine aboard were 298 people 38 of whom were australians no one survived subsequently it was shown that the airliner was almost certainly hit by a buk surface to air missile fired by ukrainian separatists aided by the russian military the debris from the plane s disintegration mid air was spread over 50 square kilometres but for weeks rescue teams and investigators were denied access the russians have refused to take any responsibility for the deaths this is the story of some of the people who boarded that fatal flight and the conflict below them that was doomed to destroy their lives and the happiness of the people they left behind the fullest account yet published it is also the story of a continuing clamour for justice unsettling compelling and revealing shot down will provoke both outrage that this criminal act could have happened and deep sadness for the lives lost a compelling account of one of the most appalling aviation atrocities of our time jim eames author of courage in the skies
