executive presence matters when 400 ceos were asked how they choose next level leaders 89 of them said they looked for one critical trait executive presence this quality is crucial for professional success in executive presence joel garfinkle shows you how to step into your power convey confidence and lead with conviction as you rise in your organization your executive presence must keep pace with your growth the higher the stakes the more you need that power and presence using extensive original research gleaned from studying executive presence for more than 15 years joel has uncovered the 9 essential qualities of executive presence his 3x3 executive presence model doesn't just explain executive presence for the modern leader it walks you step by step through exercises and strategies for cultivating each essential element methodically explaining how to master each one he equips you with a personalized plan for growth demystifies what executive presence is and debunks misconceptions that hold you back this book provides the blueprint for how to master 3 key executive presence domains 1 radiate gravitas 2 act with authority 3 express yourself fully in executive presence you'll learn how to radiate the commanding self assured presence of a high level leader bring power conviction and a strong point of view to your presentations move from passivity and self doubt to self assurance and bold decision making exude a professional magnetism that influences others at every level cultivate and leverage charisma in all your interactions communicate in a clear crisp and concise way maybe you've come across the term executive presence in hbr but you couldn't adequately define it let alone begin to grow it this book will change that as you delve into the lessons from executive presence you'll join top ranking organizational leaders who know how to influence others and drive extraordinary results whether you're a rising star or ceo executive presence will guide you in leading a high performing team moving from passivity and self doubt to self assurance and bold decision making you'll become the high impact leader who propels your organization forward executive presence is for women people of color and other employees from marginalized groups who are too often underappreciated which causes companies to miss out on their full range of talent by cultivating executive presence women and any overlooked employees can smash through the glass ceiling and gain the recognition they deserve if you're in one of these demographics growing your executive presence will allow you to leap over the barriers you may encounter in your career what's the key differentiator between this executive presence book and its competitors sylvia ann hewlett's executive presence the missing link between merit and success paul aldo's understanding executive presence debra a benton's executive presence for the modern leader and harrison monarth's executive presence second edition the 3x3 executive presence model provides a clear structured blueprint for developing the most important facets of executive presence learn about the 3 domains gravitas authority and expression that act as the foundational pillars holding up the 9 executive presence competencies

book about leading executive conversations

includes beginning sept 15 1954 and on the 15th of each month sept may a special section school library journal issn 0000 0035 called junior libraries 1954 may 1961 also issued separately

please note this is a companion version not the original book sample book insights 1 executive presence is not a measure of performance but rather of image it is a combination of qualities that telegraphs that you have what it takes to be in charge or deserve to be 2 the importance of nonmusical factors is often overlooked by musicians the way a musician presents themselves onstage is as important as their musical skills 3 the world of music illustrates the importance of image in the workplace the best predictor of success on the competition circuit was whether a pianist could communicate passion through body language and facial expression 4 the three pillars of ep are how you act how you speak and how you look they are not equally important but they are all important gravitas is the core characteristic signaling that you know your stuff cold is more important than either communication or appearance

the classic on the go guide to pediatric practice and most up to date resource on the diagnosis understanding and treatment of the medical problems of children from birth through adolescence a doody's core title for 2017 known as the go to resource for pediatric care current diagnosis and treatment pediatrics is updated every two years to keep it relevant concise and practical enough for everyday use as always the 23rd edition contains critical updates current diagnosis and treatment pediatrics twenty third edition features the popular easy to follow large current outline format problem essentials of diagnosis and treatment clinical findings differential diagnosis treatment and prognosis the content is organized by general topics as well as by organ systems this guide provides concise evidence based information on a wide range of pediatric medical conditions and topics including childhood nutrition and eating disorders substance abuse psychiatric disorders child abuse oral medicine and dentistry immunization and emergencies and injuries with its comprehensive scope and clinical focus there is no better more usable resource for your pediatric practice and no text so up to date why current diagnosis and treatment pediatrics is the ultimate clinical companion all topics are thoroughly updated with the latest research findings includes specific disease prevention recommendations extensive use of decision speeding diagnostic and treatment algorithms and tables up to date references with unique identifiers pubmed pmid numbers allow for rapid review of the evidence based source material written by experienced pediatricians to ensure that every chapter reflects the needs and realities of practice complete with valuable guide to normal laboratory values

performance hard work and sponsors get top talent recognized and promoted but leadership potential isn't enough to lever men and women into the executive suite leadership roles are given to those who also look and act the part top jobs often elude women because they lack executive presence or underestimate its importance executive presence depends on getting three things right appearance communication and gravitas this comes from the abstract on page 1

image and style consultant david a mcknight offers in this book theories tips and details on assessing and improving style and developing one's executive presence damstyle is an iconic multi dimensional image and lifestyle consulting operation in new york city serving as a one stop enterprise for individual and organizational image needs

sloan group international's executive presence influence program tm elevates the ability of leaders to impact and influence others in the organization specifically senior leadership this comprehensive multitouchpoint program utilizes a simple yet impactful 4 part model somatic physical presence one's ability to command their physical posture gestures verbal pace and tone

mental presence one's ability to stay mentally clear focused and on task with what they are saying emotional presence one's ability to be aware of self and others and to engage others emotionally through appreciation and acknowledgment charismatic presence one's ability to positively impact others just by being there these four areas of executive presence provide a simple yet powerful and practical model for readers to identify which aspects of their presence need more focus additionally the model helps leaders diagnose which competencies are needed most in a high stakes influence situation whether it is to get results from people you're working with get a promotion or to deliver powerful messages that engage participation and presence in others

this book is the first executive presence guide specifically designed for diverse professionals who want to lead authentically while embracing their full selves it demystifies the often ambiguous concept of executive presence ep offering a clear actionable roadmap for professionals at every stage of their leadership journey whether you're navigating early career challenges or stepping into senior to c suite leadership positions this book equips you with the tools to lead with confidence and grace what sets this book apart is its inclusive and visual approach to executive presence unlike traditional leadership guides it addresses the needs of a diverse workforce and explains ep through accessible language and memorable illustrations it also tackles modern leadership challenges such as building presence in virtual environments and on social media while incorporating expert insights from fields like artificial intelligence personal branding and visual communication the structured inform equip empower framework ensures each chapter delivers practical strategies reflective exercises and real world applications written by an executive presence subject matter expert sme and a world renowned opera singer who together have built and taught professionals around the world this book takes the most empowering view of ep to provide readers with tools they can immediately apply this book is ideal for a wide range of readers from early career professionals and business students to high potential employees and seasoned executives sales professionals looking to enhance their influence and anyone seeking to elevate how others perceive their leadership will also find immense value no matter your background or career stage this guide empowers you to develop a strong authentic executive presence in today's dynamic business landscape

what qualities make a good executive poise thoughtfulness decisiveness empathy and rapport to name a few but there's a certain something that sets top notch executives apart that can be hard to define that intangible quality that inspires people to follow their lead their executive presence or ep in this book the author reveals why you can have all the right stuff but without executive presence ep you will never be considered leadership material the good news is it doesn't have to be that way this strategic leadership guide delivers practical advice such as the 6 degrees of executive presence and how they improve your status why appearance matters less than you think when fake it till you make it is helpful and when it isn't a blueprint for being seen by everyone as a leader
