yet again steve wohlberg tackles a subject in just a handful of words that is often buried within the pages of a huge book and answers questions of many people at the same time this time he pointedly defined the two beasts of revelation 13 particularly the second beast that as we learn is representative of the united states in identifying the first beast he also draws from daniel 7 as these two beasts are markedly similar while these two beasts seem to point to a gloomy future we have hope in our lord jesus christ who will reign supreme satan s days are numbered and when the last
