teaching history should not simply be an endless recitation of irrelevant facts entombed between the covers of a textbook instead breaking away from the textbook offers a fascinating journey through world history not a comprehensive theory heavy guide this book instead focuses on exciting classroom activities methods for students to grapple with human issues and innovative ways to show students the relevance of the past to the world today simply put this book makes world history fun soon your students will be busy debating thinking applying and learning about information that will stay with them for a lifetime the key to this wonderful work is that it incorporates various disciplines including art music and writing to create a vibrant classroom volume i covers prehistory to the renaissance and volume ii covers the enlightenment to the 20th century includes pictures and drawings appendices indexes maps and a bibliography volume iii more creative ways to teach world history covers ancient times through the 20th century and beyond appropriate for all grade levels

this is a book which holds a very large amount of my ideological beliefs which form a new ideology quite unlike any other before it i dream of a better world a healthier world a world where people are safe and all products which poison the minds and lead to human destruction don t exist a world where animal species are never driven to extinction and co exist with people rather well where many natural areas of the world remain untouched unpolluted and humans are safe from the natural hazards of the world and the unnatural hazards of the world an economic system which is fair and relatively stable and where jobs are as easy to get as merely talking a world where every religion is at peace with the other as are its followers to followers of another a justice system which is real justice and countries whom many people can say their honestly proud of being a citizen of a world free of economic corruption and

instability grasslands as green as the deepest green and forests which have trees not seldom seen a world where everyone can claim free speech no matter how outrageous radical stupid or barbaric it may sound to those people with differing views the name of this new ideological belief should be officially called distributionism this book mainly focuses on the united kingdom and what's best for the united kingdom but it can be read comfortably by people who aren't uk citizens
