reviews the mineral and material industries of the united states  
and foreign countries contains statistical data on materials and  
minerals and includes information on economic and technical  
trends and development includes chapters on approximately 90  
commodities and over 175 countries

heavy metal gender and sexuality brings together a collection of original interdisciplinary critical essays exploring the negotiated place of gender and sexuality in heavy metal music and its culture scholars debate the current state of play concerning masculinities femininities queerness identity aesthetics and monstrosities in an area of music that is sometimes mistakenly treated as exclusively sustaining a masculinist hegemony the book combines a broad variety of perspectives on the main topic regarding gender in connection to the history of the genre the range of metal subgenres heavy metal s multidimensional scope music lyrics performance style illustrations men and women sexualities and various local and global perspectives heavy metal gender and sexuality is a text that opens up the world of heavy metal to reveal that it is a very diverse and ground breaking stage where gender play is at the centre of its theatricality and sustains its mass appeal

far off metal river examines how explorer samuel hearne s account of the alleged 1771 bloody falls massacre in the central arctic has shaped ongoing colonization and economic exploitation of the north as emilie cameron demonstrates the arctic has for centuries been treated like a blank page onto which a long line of explorers missionaries anthropologists resource companies and politicians have inscribed stories that serve their own interests these stories have played a central role in shaping the region including efforts to open the north to industrial resource extraction consequently qablunaat non inuit non indigenous people have a responsibility to question their relationships with the north and northerners first by placing these stories within their proper historical geographical and social context and then by developing new understandings and new relationships that reflect the actual political cultural economic environmental and social landscapes of the contemporary arctic landscapes of the contemporary arctic

the encyclopaedia of australian metal presents pictures biographies and discographical information on more than 2000 metal and heavy rock bands from all parts of australia from the early 70s pioneers like ac dc buffalo and rose tattoo to the current breed psycroptic parkway drive ne obliviscaris and more

reviews the mineral and material industries of the united states and foreign countries contains statistical data on materials and minerals and includes information on economic and technical trends and development includes chapters on approximately 90 commodities and over 175 countries

new york times bestseller an explosive deeply reported exposé of johnson johnson one of america s oldest and most trusted pharmaceutical companies from an award winning investigative journalist a page turning drama that raises life or death questions about the world s largest healthcare conglomerate jonathan eig pulitzer prize winning author of king a life one day in 2004 gardiner harris a pharmaceutical reporter for the new york times was early for a flight and sat down at an airport bar he struck up a conversation with the woman on the barstool next to him who happened to be a drug sales rep for johnson johnson her horrific story about unethical sales practices and the devastating impact they d had on her family fundamentally changed the nature of how harris would cover the company and the entire pharmaceutical industry for the times his subsequent investigations and ongoing research since that very first conversation led to this book a blistering exposé of a trusted american institution and the largest healthcare conglomerate in the world harris takes us light years away from the company s image as the child friendly baby company as he uncovers reams of evidence showing decades of deceitful and dangerous corporate practices that have threatened the lives of millions he covers multiple disasters lies and cover ups regarding the link of johnson s baby powder to cancer the surprising dangers of tylenol a criminal campaign to sell antipsychotics that have cost countless lives a popular drug used to support cancer patients that actually increases the risk that cancer tumors will grow and deceptive marketing that accelerated opioid addictions through their product duragesic fentanyl that rival even those of the sacklers and purdue pharma filled with shocking and infuriating but utterly necessary revelations no more tears is a landmark work of investigative journalism that lays bare the deeply rooted corruption behind the image of babies bathing with a smile
