From the acclaimed authors of *Best Friends, Worst Enemies*, here is the perfect companion volume: a practical how-to guide for parents to help their children navigate the sometimes harsh terrain of social life at school, on the playground, and in the neighborhood. Almost everyone agrees and remembers childhood can be a traumatic time. Kids frequently face peer rejection, name-calling, bullying, after-school fights, esteem-crushing cliques, and malicious exclusion by the popular kids. And parents often feel powerless to console their children. Now help is here. *Mom, They're Teasing Me* is a specific, hands-on guide for concerned parents who want to give their children the tools they need to cope with social cruelty through vividly written case studies and a reader-friendly question-and-answer format. This compelling book shows parents what a child may confront with other children and then offers concrete advice on handling each situation. *Mom, They're Teasing Me* deals in depth with specific aspects of social cruelty: the four major types of children at risk for social isolation and their unique problems; the ordinary pain of those children not at risk but who nevertheless cause their parents concern; and bad class dynamics in the school and neighborhood. Through thoughtful discussion and insightful suggestions, parents will discover the difference between real risk and normal social pain; the appropriate time to intervene; and when to step back. Tips on how to mediate between children without appearing meddlesome; essential advice for parents who worry too much; the importance of teaching and encouraging leadership; the redemptive power of friendship. *Mom, They're Teasing Me* answers key questions on the many manifestations of social cruelty; offers compelling descriptions of prime teasing
