the need to develop connections between members of different generations is being driven by a host of trends and challenges including demographic shifts workforce shortages and multigenerational teams educational gaps caregiving demands youth and senior health and housing problems economic insecurity and rapid technological change many of these trends and challenges already under way were accelerated or

exacerbated by the covid 19 pandemic this handbook presents what is known about the spectrum of intergenerational initiatives in the united states and abroad the very first to do so in reference book form it addresses specifically what increases cooperation interaction or exchange between any two or more generations and how to foster the sharing of skills knowledge or experience between old and young comprising 30 chapters each written by leading experts in their field the handbook is organized around five sections cross generational relationships older adults working with younger people younger people helping older adults global perspectives on intergenerational relationships and recommendations for strengthening and sustaining the intergenerational movement

let adam brandon one of america s leading activists explain the past the present and the future of american conservatism and offer advice from his unique perspective on how to bridge the generational and political divides in the united states for a better future america faces incredibly consequential choices over the direction of the nation far left democrats who label themselves as progressives want to shatter constitutional norms and move america backward through command and control economic policies while continuing to divide us with identity politics in a republic not a democracy freedomworks president adam brandon draws on his experiences from when he was a kid in ohio his time in post communist poland and his current role in washington dc to offer perspective on the choices that america has before it he uses these experiences to provide a unique take on how to win voters with a pro growth message on economic policy drawing on the story of 2019 when america saw its lowest unemployment rate in a half century and a record low poverty rate adam explains how we can restore america in a post covid 19 pandemic world he highlights key policy issues like education health care and the age demographic crisis and what lawmakers can do to address these problems as president of the country s largest free market grassroots advocacy organization adam is the nation s foremost expert in effective grassroots strategy he uses this expertise to explain the importance of grassroots activists and using these committed constitutionalists to change the minds of lawmakers in the swamp a republic not a democracy is an essential resource for anyone seeking to understand the state of modern politics for anyone who wants to use grassroots activism to make a difference in the world and for anyone who wonders about what the future holds for america and its citizens

during his 28 year career matthew horace rose through the ranks from a police officer working the beat to a federal agent working criminal cases in some of the

toughest communities in america to a highly decorated federal law enforcement executive managing high profile investigations nationwide yet it was not until seven years into his service when horace found himself face down on the ground with a gun pointed at his head by a white fellow officer that he fully understood the racism seething within america s police departments through gut wrenching reportage on the ground research and personal accounts from interviews with police and government officials around the country horace presents an insider s examination of archaic police tactics he dissects some of the nation s most highly publicized police shootings and communities to explain how these systems and tactics have hurt the people they serve revealing the mistakes that have stoked racist policing sky high incarceration rates and an epidemic of violence horace s authority as an experienced officer as well as his obvious integrity and courage provides the book with a gravitas the washington post the black and the blue is an affirmation of the critical need for criminal justice reform all the more urgent because it comes from an insider who respects his profession yet is willing to reveal its flaws usa today

in their names busts open the public safety myth that uses victims rights to perpetuate mass incarceration and offers a formula for what would actually make us safe from the widely respected head of alliance for safety and justice when twenty six year old recent college graduate aswad thomas was days away from starting a professional basketball career in 2009 he was shot twice while buying juice at a convenience store the trauma left him in excruciating pain with mounting medical debt and struggling to cope with deep anxiety and fear that was the same year the national incarceration rate peaked yet despite thousands of new tough on crime policies and billions of new dollars pumped into justice aswad never received victim compensation support or even basic levels of concern in the name of victims justice bureaucracies ballooned while most victims remained on their own in in their names lenore anderson president of one of the nation s largest reform advocacy organizations offers a close look at how the political call to help victims in the 1980s morphed into a demand for bigger bureaucracies and more incarceration and cemented the long standing chasm that exists between most victims and the justice system she argues that the powerful myth that mass incarceration benefits victims obscures recognition of what most victims actually need including addressing trauma which is a leading cause of subsequent violent crime a solutions oriented paradigm shifting book in their names argues persuasively for closing the gap between our public safety systems and crime survivors

this report a joint effort of the federal reserve s community affairs function and the brookings institution s metropolitan policy program examines the issue of concentrated poverty and profiles 16 high poverty communities from across the country including immigrant gateway native american urban and rural communities through these case studies the report contributes to our understanding of the dynamics of poor people living in poor communities and the policies that will be needed to bring both into the economic mainstream it is not the intention of this publication to explain poverty causation instead the goal is to add texture to our understanding of where and how concentrated poverty exists by studying new areas and by interviewing local stakeholders including residents community leaders and government representatives to understand how concentrated poverty affects both individuals and communities the report begins with concentrated poverty in america an overview alan berube and introduction to the case studies carolina reid it then presents the following 16 case studies 1 fresno california the west fresno neighborhood naomi cytron 2 cleveland ohio the central neighborhood lisa nelson 3 miami florida the little haiti neighborhood ana cruz taura and jessica levene farr 4 martin county kentucky jeff gatica 5 blackfeet reservation montana sandy gerber michael grover and sue woodrow 6 greenville north carolina the west greenville neighborhood carl neel 7 atlantic city new jersey the bungalow park marina district area harriet newburger john wackes keith rolland and anita sands 8 austin texas the east austin neighborhood elizabeth sobel 9 mckinley county new mexico crownpoint steven shepelwich and roger zalneraitis 10 mcdowell county west virginia courtney anderson mailey 11 albany georgia the east albany neighborhood jessica levene farr and sibyl slade 12 el paso texas the chamizal neighborhood roy lopez 13 springfield massachusetts old hill six corners and the south end neighborhoods deanna green 14 rochester new york the northern crescent neighborhoods alexandra forter sirota and yazmin osaki 15 holmes county mississippi ellen eubank and 16 milwaukee wisconsin the northwest neighborhood jeremiah boyle following these case studies is learning from concentrated poverty in america a synthesis of themes from the case studies alan berube david erickson and carolina reid appended to this report are a references for comparison statistics tables b literature review federal reserve system poverty related research c references for overview in alphabetical order by first author and d photo credits individual case studies contain tables figures and footnotes
