five men from the hit show queer eye for the straight guy offer advice for making lifestyle changes in the categories of decorating grooming culinary fashion and culture

there s more than one way to rape a straight guy and curt s been through them all now he s out to do some damage curt has been beaten betrayed and brutalized by nearly everybody he s known even his mother once a prostitute but now married and born again has banned him from contact with his younger brother and sisters then he went through six years in prison and came out ten times harder than when he went in demands from his wife and zero prospects of a decent job are making it impossible

for him to even think of having a normal life until he's hustling two gay men in a bar one afternoon and mentions his experiences in prison which included forcing straight cons to get off as he raped them a very satisfying method of revenge it seems the two men Wayne and Lenny want some revenge of their own against a straight guy who's caused them trouble if Curt can get the bastard off while being assaulted they'll give him a car cash and a chance at a new life being in the mood to do some damage Curt agrees but step by step a stupid little bet begins to spin out of control and threatens to plunge him headlong into disaster and he's not sure he wants to stop it

is there a hot straight man that you have been keeping your eye on does he seem to work out around the same time that you do everyday when you glance at him does your heart skip a beat causing you to get all worked up if so you have a major man crush on the straight guy but what can you do about it and how do you handle things if you sense he might be a little curious about you is there anyway you can make a straight man from your fantasy come true this book will examine how to pick up straight dude the right way and help you maximize your chances for a realistic connection regardless if he's straight or bi-curious there are some steps that you will need to do in advance if you want to really make your fantasy to come true I'll let you in on a little secret right now the advice I am about to give has worked for me and a for a few friends of mine with results that were amazing are you ready to learn more let's jump right in

in this collection of delightful illustrations and wise witty words Fessler and Rauch reveal the gem-like qualities that endear gay men to women each double page spread contrasts a gay guy's perspective with a straight guy's take on the same issue 45 line drawings

after fifty years of progress and the advent of gay marriage statistics on the well-being of gay men are as grim as ever rates of suicide alcoholism and drug abuse have not budged anxiety depression loneliness and poor health are just as widespread studies have shown that gay men who live in urban gay communities actually are worse off not better the utopia promised by gay marriage has not materialized gay men seem to have run out of ideas for progress there is little acknowledgment of the fact that something remains badly wrong nor is there a diagnosis of what is wrong this book proposes that the diagnosis is obvious if we look at the origins of male sexuality and how it was expressed in other cultures the anti-sex puritan system in which we are now immersed is relatively recent in human history yet in less than 2 000 years knowledge of how other cultures lived and loved has been systematically wiped out starting with the early Europeans in the last years of Rome and continuing around the globe as Europeans colonized the continents natural male sexualities have been cruelly repressed and then obliterated we are all Puritans now the greatest taboo of all in male sexuality remains unchallenged and is still heavily enforced that is the taboo of male male sex which until 2003 was still a crime this book argues that the plight of gay men is only a piece of a much larger catastrophe the puritanical repression of the sexualities of all men in an attempt to co-opt the power of male sexuality with promises of greater glories to be found in heaven this book is not arguing for something new untested unknown and radical rather the challenge is to return to something very old the joy of male male sex which

took similar forms in most of the cultures that we have knowledge of those old worlds were worlds in which every gay man was able to take for granted what to us today is the impossible dream sex with a straight best friend

a reflection upon the man on man liaisons throughout his life from the hanky panky at boarding school to the multi cultural diversions he encountered during his travels his world was opened to practices he didn t even know existed especially in the cp dungeon graphically detailed with tenderness and humour it was published in haste before changing his mind but the errors which were pointed out have since been rectified and the book republished

seminar paper from the year 2005 in the subject communications movies and television grade 10 university of st thomas course communication studies 340 language english abstract queer eye for the straight guy hereafter queer eye is a television series which was first aired in july 2003 on bravo cable network basically the main content of each episode is that five gay men each of them an expert in their field make over a person most often a straight man for a special occasion such as a proposal to a girlfriend or even a wedding the series was an instant and somewhat unexpected success it is especially remarkable for the way homosexual and heterosexual men are presented my paper raises and partially answers questions such as what is so different here about the way sexual orientation is presented through which symbols is homosexuality conveyed and what might be the effect of these representations on the audience i argue that even though the symbols and stereotypes have not changed their implications on queer eye make them a more positive representation of homosexuality than ever before seen on television in order to understand why queer eye is revolutionary i will first give a short overview about the presentation of homosexuality on television in the past five decades after that i depict the symbols and particularly visual and aural symbols through which homosexuality is conveyed in the show by giving specific examples from single episodes then i describe the stereotypes which are presented on queer eye followed by the influence of these representations of homosexuality on the audience
