this volume offers bracing new translations of two precursors to the modern detective novel by friedrich durrenmatt whose genre bending mysteries recall the work of alain robbe grillet and anticipate the postmodern fictions of paul auster and other contemporary neo noir novelists both mysteries follow inspector barlach as he moves through worlds in which the distinction between crime and justice seems to have vanished in the judge and his hangman barlach forgoes the arrest of a murderer in order to manipulate him into killing another more elusive criminal and in suspicion barlach pursues a former nazi doctor by checking into his clinic with the hope of forcing him to reveal himself the result is two thrillers that bring existential philosophy and the detective genre into dazzling convergence

inspector barlach has a year to live but he s not going quietly when inspector barlach notices that a successful swiss surgeon bears a striking resemblance to an infamous nazi war criminal a suspicion begins to gnaw away at him could they be one and the same person

determined to expose the monster behind the surgeon's mask the ailing inspector checks himself into the doctor's exclusive clinic but all does not go to plan and soon Barlach realizes that he is at the mercy of his own prey will he find a way out before it's too late suspicion is a dark mystery about a dying man's struggle to destroy a wickedness lurking in plain sight Friedrich Dürrenmatt 1921-1990 was a Swiss author and dramatist most famous for his plays *The Visit* and *The Physicists* which earned him a reputation as one of the greatest playwrights in the German language he also wrote four highly regarded crime novels *The Pledge*, *The Judge* and *His Hangman* *Suspicion* and *The Execution of Justice* all of which will be published by Pushkin Vertigo

six richly inventive pieces by the Swiss master of existentialist theater includes *Romulus*, *The Great 21*, *Points to the Physician* and a monster lecture on justice and law

this book examines the phenomenon of silence in relation to human behaviour from multiple perspectives drawing on psychological and cultural philosophical ideas to create new surprising connections between silence quiet and rest silence and being quiet are present in everyday life and in politics but why do we talk about it so rarely silence can be cathartic and peaceful but equally oppressive and unbearable in the form of communication we keep secrets to protect ourselves and others but on the other hand subjects can be silenced with dictatorial posturing a communicative display of power and something can be literally hushed up that needs to be disclosed in unique and engaging style Theodor W. Adorno explores the multi-layered internal conversation on silence in relation to the self and emotions demonstrating why it is sometimes necessary in our modern society describing and analyzing human behaviour in relation to silence the book also draws on psychoanalytic ideas by outlining the power of silence in processing our emotions and relationships and hiding innermost feelings with rich narrative signposts providing thought provoking and amusing insights and interpersonal communication examined in relation to everyday life this is fascinating reading for students and academics in psychology philosophy cultural studies and related areas

one hundred essays celebrate fiction's greatest detectives

a history of the life and work of the German expressionist represented by many of his lithographs drawings woodcuts and sculpture

a unique bibliographic survey including over 1500 items opening avenues for further research on food and drink

a history of the life and work of the German expressionist represented by many of his lithographs drawings woodcuts and sculpture

from one of modern Italy's greatest writers come four flawless novellas that combine history and fiction while mapping the treacherous relations between individuals and the state whether set amid the paranoia of the fascist past or the criminal and political labyrinths of present day Italy these Kafkaesque novellas are thrillers of moral gravity beautifully written and relentlessly engrossing

inspector barlach is dying but not fast enough for his arch enemy when a member of the bern police force is shot dead on a swiss country road the enigmatic inspector barlach and his colleague tschanz are intent on tracking down the killer but the ailing inspector doesn't have time to lose soon the pair discover that the victim was murdered on his way to a clandestine party at the home of a wealthy power broker so why was a local policeman socialising with some of switzerland's most influential men who was his shadowy host and why has barlach's past returned to haunt him in his final hours the judge and his hangman is a thrilling tale of lifelong rivalry and of two men chained together by a wager that would destroy them both friedrich dürrenmatt 1921 1990 was a swiss author and dramatist most famous for his plays the visit and the physicists which earned him a reputation as one of the greatest playwrights in the german language he also wrote four highly regarded crime novels the pledge adapted for a 2001 film starring jack nicholson suspicion and the execution of justice are also published by pushkin vertigo
