in the words of mr peter j morris insights with adronis is not a spiritual or mystical treatise instead it centers itself firmly

within the metaphysical camp perhaps it could best be summed up as a treatise of meta science with many of the issues of our current age and eco political era being subjected to close scrutiny its rare for a book covering these sort of issues to harmonise so well with seemingly mundane human considerations but these are difficult and frightening times in the scheme of planetary evolution and we need some very clear answers to some equally incisive questions it is a joy to us to know that many of you are enjoying the content we put together with adronis for your information for your understanding in the words of our e t friend himself that is what we are here now to do we are simply sharing our perspective our guidance to you so you can take that knowledge and derive your form of ability to what best suits you through your vibration it is all about you it truly is we are not here to save you we are not here to say oh go ahead and meet us here at this time we will pick you up off your planet and we will take you to sirius no that is not our role that is not our mission that is not why we are here we are here to help you because we love you all because you truly are our family but we cannot get involved with being your savior figures that is not why we are here that is what many other civilizations are stating as well too they are your true benevolent allies that we will always guide you and help you when and if you need it but we are not here to get involved we are not here to get down to your planet and save you that is not our role that is not our re quest in that sense we are not here to share technology with you we are not here to say oh once the quarantine is down we are going to come down and live on your planet no that is not why we are here either you alone all one are brilliantly able to surmount any obstacle you may encounter and once you are passed this form of density and you move on to a higher density you will join our interstellar alliance the association of worlds as a planet of beings that has grown back to their original greatness that is the understanding we both wish you a outstanding growth with the knowledge that adronis from sirius provides

more than one hundred thirty photographs drawings and diagrams illustrate an imaginative exploration of the universe from the solar system to the outer limits of the universe
