an introduction to the work of an esteemed american philosopher whose integral approach to human consciousness blends western psychology with eastern spirituality ever since the publication of his first book the spectrum of consciousness written when he was twenty three ken wilber has been identified as the most comprehensive philosophical thinker of our times this introductory sampler designed to

acquaint newcomers with his work contains brief passages from his most popular books ranging over a variety of topics concepts include levels of consciousness mystical experience meditation practice death the perennial philosophy and wilber s integral approach to reality integrating matter body mind soul and spirit here is wilber s writing at its most reader friendly discussing essential ideas of the world s great psychological philosophical and spiritual traditions in language that is lucid engaging and inspirational

this cutting edge theory of spirituality for today s global society honors the truths of modern science and postmodern culture while incorporating the wisdom of the great world religions applying his highly acclaimed integral approach ken wilber formulates a theory of spirituality that honors the truths of modernity and postmodernity including the revolutions in science and culture while incorporating the essential insights of the great religions he shows how spirituality today combines the enlightenment of the east which excels at cultivating higher states of consciousness with the enlightenment of the west which offers developmental and psychodynamic psychology each contributes key components to a more integral spirituality on the basis of this integral framework a radically new role for the world s religions is proposed because these religions have such a tremendous influence on the worldview of the majority of the earth s population they are in a privileged position to address some of the biggest conflicts we face by adopting a more integral view the great religions can act as facilitators of human development from magic to mythic to rational to pluralistic to integral and to a global society that honors and includes all the stations of life along the way

one of the most influential american philosophers of our time presents his vision for a fully integrated world a world that includes body mind soul and spirit in this groundbreaking book ken wilber uses his widely acknowledged spectrum of consciousness model to completely rewrite our approach to such important fields as psychology spirituality anthropology cultural studies art and literary theory ecology feminism and planetary transformation what would each of those fields look like if we wholeheartedly accepted the existence of not just body and mind but also soul and spirit in a stunning display of integrative embrace wilber weaves these various fragments together into a coherent and compelling vision for the modern and postmodern world

volume seven of the collected works of ken wilber includes a brief history of everything 1996 combining spiritual sensitivity with enormous intellectual understanding and a style of elegance and clarity this book is a clarion call for seeing the world as a whole san francisco chronicle the eye of spirit an integral vision for a world gone slightly mad 1997 uses the spectrum model to create an integral approach to psychology spirituality anthropology cultural studies and art an integral theory of consciousness an essay previously unpublished in book form presents one of the first theories to integrate first second and third person accounts of consciousness

as one who has written extensively about the interior life meditation and psychotherapy ken wilber the leading theorist in the field of integral psychology naturally arouses the curiosity of his numerous readers in response to this curiosity this one year diary not only offers an unprecedented entr®e into his private world but offers an introduction to his essential thought if there is a theme to this journal wilber writes it is that body mind and the luminosities of the soul all are perfect expressions of the radiant spirit that alone inhabits the universe sublime gestures of that great perfection that alone outshines the world wilber s personal writings include details of his own spiritual practice advice to spiritual seekers reflections on his work and that of other prominent theorists in the field of integral psychology his day to day personal experiences dozens of his short theoretical essays on topics from art to feminism to spirituality to psychotherapy

an introduction to the work of an esteemed american philosopher whose integral approach to human consciousness blends western psychology with eastern spirituality ever since the publication of his first book the spectrum of consciousness written when he was twenty three ken wilber has been identified as the most comprehensive philosophical thinker of our times this introductory sampler designed to acquaint newcomers with his work contains brief passages from his most popular books ranging over a variety of topics concepts include levels of consciousness mystical experience meditation practice death the perennial philosophy and wilber s integral approach to reality integrating matter body mind soul and spirit here is wilber s writing at its most reader friendly discussing essential ideas of the world s great psychological philosophical and spiritual traditions in language that is lucid engaging and inspirational

a concise comprehensive overview of the m theory and its application in today s world by a renowned american philosopher ken wilber has long been hailed as one of the most important thinkers of our time but his work has seemed inaccessible to readers who lack a background in consciousness studies or evolutionary theory until now in a theory of everything wilber uses clear non technical language to present complex cutting edge theories that integrate the realms of body mind soul and spirit he then demonstrates how these theories and models can be applied to real world problems and incorporated into readers everyday lives wilber begins his study by presenting models like spiral dynamics a leading model of human evolution and his groundbreaking all level all quadrant model for integrating science and religion showing how they are being applied to politics medicine business education and the environment he also covers broader models explaining how they can integrate the various worldviews that have been developed around the world throughout the ages finally wilber proposes that readers take up an integral transformative practice such as meditation to help them apply and develop this integral vision in their personal daily lives a fascinating and easy to follow exploration of the m theory this book is another tour de force from one of america s most inventive minds

volume eight of the collected works of ken wilber includes in the marriage of sense and soul integrating science and religion 1998 wilber takes on the centuries old problem of the relationship between science and religion after surveying the world s great wisdom traditions and extracting features they all share he offers compelling arguments that not only are these compatible with scientific truth they also share a similar scientific method one taste the journals of ken wilber 1999 is a lively and entertaining glimpse into a year in the life of ken wilber as well as a thought provoking series of short essays on current trends in spirituality and psychology daily reflections meditation experiences and advice to spiritual seekers

volume three of the collected works of ken wilber includes a sociable god toward a new understanding of religion 1982 is a scholarly introduction to a psychology and sociology of religion that presents a system of reliable methods by which to determine the authenticity of any religious movement eye to eye the quest for the new paradigm 1983 examines three realms of knowledge the empirical realm of the

senses the rational realm of the mind and the contemplative realm of the spirit this book includes important essays such as the pre trans fallacy and a mandalic map of consciousness

as one who has written extensively about the interior life meditation and psychotherapy ken wilber the leading theorist in the field of integral psychology naturally arouses the curiosity of his numerous readers in response to this curiosity this one year diary not only offers an unprecedented entr e into his private world but offers an introduction to his essential thought if there is a theme to this journal wilber writes it is that body mind and the luminosities of the soul all are perfect expressions of the radiant spirit that alone inhabits the universe sublime gestures of that great perfection that alone outshines the world wilber s personal writings include details of his own spiritual practice advice to spiritual seekers reflections on his work and that of other prominent theorists in the field of integral psychology his day to day personal experiences dozens of his short theoretical essays on topics from art to feminism to spirituality to psychotherapy

from integral philosopher ken wilber a practical guide to finding a radical and complete wholeness through a path that blends integral theory psychology spiritual practice and shadow work according to ken wilber the perpetual human search for growth and fulfillment is often incomplete in this book wilber integrates the wisdom of spirituality psychology shadow work science and integral theory to offer us a path to a radical and complete wholeness of waking up growing up opening up cleaning up and showing up wilber shows readers how to apply integral theory to their everyday lives for transformation for example he shows how the theory of the four quadrants the four perspectives through which we view the world relates to our lives and allows us to show up and be more present he also discusses how to evolve our multiple intelligences how to increase our spiritual awareness how to process what s hidden in the depths of our consciousness and how to enhance deepen and widen the feelings of bliss and love through the practice of integral tantric sex wilber introduces several practices on topics such as the witness one taste and shadow work to lead us to direct experiences that we can integrate into our lives in this way we truly understand wholeness and can make room for everything life brings our way no other path of growth includes these five categories each of which is a unique path to wholeness by combining them and integrating them one comes to a realization of what wilber calls big

wholeness a completeness in which everything in our experience comes together to pull us into this deep meaning where we feel in touch not only with all of the important aspects of ourselves but also with everything in our world

a provocative examination of how the great religious traditions can remain relevant in modern times by incorporating scientific truths learned about human nature over the last century a single purpose lies at the heart of all the great religious traditions awakening to the astonishing reality of the true nature of ourselves and the universe at the same time through centuries of cultural accretion and focus on myth and ritual as ends in themselves this core insight has become obscured here ken wilber provides a path for re envisioning a religion of the future that acknowledges the evolution of humanity in every realm while remaining faithful to that original spiritual vision for the traditions to attract modern men and women wilber asserts they must incorporate the extraordinary number of scientific truths learned about human nature in just the past hundred years for example about the mind and brain emotions and the growth of consciousness that the ancients were simply unaware of and thus were unable to include in their meditative systems taking buddhism as an example wilber demonstrates how his comprehensive integral approach which is already being applied to several world religions by some of their adherents can avert a cultural disaster of unparalleled proportions the utter neglect of the glorious upper reaches of human potential by the materialistic postmodern worldview moreover he shows how we can apply this approach to our own spiritual practice this his most sweeping work since sex ecology spirituality is a thrilling call for wholeness inclusiveness and unity in the religions of tomorrow

ken wilber the author of over twenty books of philosophy and psychology is a pioneering thinker who has developed an integral theory of everything that embraces the truths of both eastern spirituality and western science the pocket ken wilber highlights the personal wisdom of this popular author with short selections of inspirational and mystical passages drawn from his publications these heartfelt writings include poetic passages of contemplative insights and reflections as well as inspired descriptions of spirit nondual awareness the witness one taste and other topics

volume four of the collected works of ken wilber includes integral psychology a concise version of wilber s long awaited textbook of transpersonal psychology presenting one of the first truly integrative models of consciousness psychology and therapy charts correlating over one hundred developmental and evolutionary theories ranging from ancient mystical traditions to modern theorists essays on human development art meditation spirituality yoga women s studies death and rebirth science and mysticism and transpersonal psychotherapies wilber s thoughtful replies to criticisms of his work

how to put ken wilber s integral theory which synthesizes the teachings of the world s great wisdom traditions into practice in all aspects of everyday life so you can reach your full human potential a masterpiece guide of grounded intelligent self transforming wisdom integrating the insights of all the great traditions of truth caroline myss author of anatomy of the spirit over the last thirty five years ken wilber has developed an integral theory of everything that makes sense of how all the world s knowledge systems east and west ancient modern and postmodern fit together and can elevate our awareness drawing on science psychology human development spirituality religion and dozens of other fields integral theory is a revolutionary framework for understanding ourselves and the world we live in now there is a way to not just think integrally but to embody an integral worldview in your everyday life integral life practice is not just a new approach to self development and higher awareness but a way of making sense of and making best use of the existing treasure trove of insights methods and practices for cultivating a more enlightened life it offers a uniquely adaptive approach to awakened living that s suitable for everyone people with busy careers and families college students retirees even hardcore athletes and yogis it s geared for devout and irreverent people of any religion or no religion this highly flexible system will help you develop your physical health spiritual awareness emotional balance mental clarity relational joy and energy level within a framework that integrates all aspects of your life combining original exercises vivid examples cutting edge theory and illustrative graphics integral life practice is the ultimate handbook for realizing freedom and fullness in the 21st century

this is the definitive guide to the life and work of ken wilber widely regarded as the most comprehensive and passionate philosopher of our times in this long overdue exploration of wilber s life and work frank visser not only outlines the theories of this profound thinker but also

uncovers his personal life showing how his experiences influenced and shaped his writing wilber s impressive body of work including nineteen books in more than thirty languages brings together science and religion philosophy art culture east and west and places them within the all encompassing perspective of evolution visser s book follows wilber s four distinct phases as he reveals not only the story behind wilber s writing but also the man behind the ideas in recounting the course of wilber s life and the motives that led him to the subjects he has written so much about visser uncovers the intricacies of one of the world s most important intellectuals included in this indispensable resource is a complete bibliography of wilber s work

a clarion call for seeing the world as a whole this philosophical bestseller takes readers through history from the big bang through the 21st century now featuring an afterword with the writer director of the matrix franchise san francisco chronicle join one of the greatest contemporary philosophers on a breathtaking tour of time and the cosmos from the big bang right up to the eve of the twenty first century this accessible and entertaining summary of ken wilber s great ideas has been expanding minds now for two decades providing a unified field theory of the universe along the way wilber talks on a host of issues related to that universe from gender roles to multiculturalism environmentalism and even the meaning of the internet this special anniversary edition contains an afterword a dialogue between the author and lana wachowski the award winning writer director of the matrix film trilogy in which we re offered an intimate glimpse into the evolution of ken s thinking and where he stands today a brief history of everything may well be the best introduction to the thought of this man who has been called the einstein of consciousness john white

discussing a cutting edge theory of spirituality for todays global society this work explores the startling new role for religion in the modern and postmodern world marrying the truth of modern science and postmodern culture with the wisdom of the great religions

hailed as one of the most significant books ever published this work of far reaching vision is a comprehensive exploration of the evolution of human consciousness in this tour de force of scholarship and vision ken wilber traces the course of evolution from matter to life to mind and

describes the common patterns that evolution takes in all three of these domains from the emergence of mind he traces the evolution of human consciousness through its major stages of growth and development wilber particularly focuses on modernity and postmodernity what they mean how they impact gender issues psychotherapy ecological concerns and various liberation movements and how the modern and postmodern world conceive of spirit this second edition features forty pages of new material new diagrams and extensively revised notes

in this book wilber presents a model of consciousness that encompasses empirical psychological and spiritual modes of understanding wilber examines three realms of knowledge the empirical realm of the senses the rational realm of the mind and the contemplative realm of the spirit eye to eye points the way to a broader more inclusive understanding of ourselves and the universe
