this book gathers selected papers presented at the 4th international conference on inventive communication and computational technologies icicct 2020 held on 28 29 may 2020 at gnanamani college of technology tamil nadu india the respective contributions highlight recent research efforts and advances in a new paradigm called ismac iot in social mobile analytics and cloud contexts the topics covered include the internet of things social networks mobile communications big data analytics bio inspired computing and cloud computing given its scope the book is chiefly intended for academics and practitioners working to resolve practical issues in this area

the book provides the first comprehensive comparative analysis of the development of eu enlargement conditionality across four different enlargement waves the first 2004 and the second 2007 phase of the eastern enlargement the eu enlargement to croatia 2013 and the ongoing enlargement round involving turkey and the western balkans

this book examines the law of product liability from a comparative perspective with the european directive on product liability enacted over 20 years ago this publication analyses the state of product liability in a number of key jurisdictions including both western european countries and new member states account is also taken of developments further afield including the united states and japan distinguished contributors including a high court judge european commission official leading litigators and academics provide individual country reports and a number of integrated comparative studies the book is designed for practical use by legal practitioners academics students and others interested in the area of contract tort civil procedure and multi party litigation in particular practitioners will find the country reports

an essential reference point

this volume examines the evolution of central european product liability systems with particular reference to the effect of the implementation of the product liability directive in the context of the recent enlargement of the eu this book also provides a comparison of how product liability law has evolved in the socialist states comparing it to developments taking place in the west using product liability law this study offers a valuable insight into the necessary features and requirements of the harmonization of laws between the eu and post socialist europe predominantly legal in scope it also takes account of the importance of extra legal elements in law reform as such this book will be a valuable resource for those interested in european law as well as those working in the area of consumer and product liability law

the renowned international labour law scholars contributing to this incomparable volume use the term game changers to refer to evolutions concepts ideas and challenges that are having or have had major impacts on how we must understand and approach labour law in today s global economy the volume derives from an international conference organized by the institute for labour law at the university of leuven belgium in november 2017 this initiative is pursued in the spirit and with the methods of the late emeritus professor roger blanpain 1932 2016 a great reformer who continuously searched for key challenges in the world of work and looked as far as possible into the future engaging in critical reflection and rethinking the design of labour law while seeking to identify the main game changers the authors explore new pathways and answers which may help to understand and shape the future of work this is the 100th of kluwer s bulletin of comparative labour relations a series professor blanpain launched nearly fifty years ago the contributors address and reflect on such vital issues and topics as the following the gig economy core labour law values freedom of association non standard employment the rise of the service sector employment and self employment the european pillar of social rights app based work algorithms as controls in the workplace collective bargaining rights and the right to strike the role of temporary employment agencies and termination of the employment relationship there are also chapters devoted to specific issues in france italy the united kingdom estonia china and the united states roger blanpain consistently reminded us that labour relations are power relations although this book shows that the power balance is tipped towards employers in today s world what is nevertheless

very clear is that labour law can play a crucial role in re enlivening equitable outcomes fairness decent work and social justice in our contemporary and future societies and that academia can help to understand guide and shape that future for this reason this book will be invaluable to professionals in labour relations whether in the academic policy or legal communities
