in this compelling piece of narrative history capponi describes the clash between the ottoman empire and the holy league that led to the battle of lepanto and takes a fresh look at the bloody struggle at sea between oared fighting galleys and determined men of faith

a concise penetrating account this stirring book inspires an admiration for british courage new york times book review

a firsthand account of a desperate battle fought during hanol s 1972 easter offensive

since the battle of the little bighorn george armstrong custer has possessed one of the most unique places in american history although he was a capable cavalry officer who served honorably during the civil war he remains one of the most instantly identifiable and famous military men in american history due to the fact he was killed during one of the country s most well known and ignominious defeats the battle of little bighorn at the same time this one relatively insignificant battle during america s indian wars has become one of the country s most mythologized

events and continues to fascinate americans nearly 140 years later on the morning of june 25 custer s scouts discovered a native american village about 15 miles away in the valley of the little bighorn river choosing to disregard his superiors orders to wait for a concerted effort the grandstanding custer intended to deliver his own decisive victory by dividing his command into three units an extremely bold tactic when done in the face of a much larger force due to their belief in the inferiority of the plains indians and mindful of previous indian tactics that sought to avoid pitched battle custer and his men were most concerned with forcing the action and failed to understand the true nature of the situation they had entered the native american gathering centered around the famous sioux chief sitting bull numbered roughly 8 000 individuals and about 2 000 of them were warriors custer s forces amounted to a mere 31 officers 566 troopers and 50 scouts and civilians and they had been split into three columns in order to stop a possible retreat before the battle it is believed custer thought he was facing a group of about 800 which was sitting bull s strength in the weeks before the battle however the army s native american scouts and civilian scouts had not adequately informed the army of the reinforcements that arrived and at little bighorn custer s three pronged attack was completely overwhelmed how custer met his fate and whether there even was a last stand remain subjects of debate but what is known is that the battle of the little bighorn was one of the u s military s biggest debacles all told the 7th cavalry suffered over 50 casualties with over 250 men killed and over 50 wounded the dead included custer s brothers boston and thomas his brother in law james calhoun and his nephew henry reed custer and his men were buried where they fell a year later custer s remains or more accurately the remains found in the spot labeled with his name were relocated to west point for final interment

ethiopia trounced the italians in 1896 in the greatest african victory over europe since hannibal but failed to prevent the loss of eritrea the event was a powerful constitutive force in the rise of modern africa and pan africanism and resounds in the shared memory of africans and black americans even today

depicting one of the defining conflicts of tenth century england the battle of maldon immortalises the bloody fight that took place along the banks of the tidal river blackwater in 991 poignantly expressing the lore and language of a determined nation faced with the advance of a ruthless and relentless enemy but as mark atherton reveals the battle of maldon is more than a heroic tale designed to inspire courage and unity in a time of crisis rather it celebrates ideals of loyalty and friendship and commemorates an event which changed the face of english culture using atherton s own vivid and illuminating translations from old english the battle of maldon war and peace in tenth century england evokes the chaotic ebb and flow of the battle while also placing maldon in the context of its age seeking to reconstruct the way of life the spirituality and the worldview of the original audience atherton examines how and why the poem encouraged its readers to relive the visceral experience of battle for themselves with this exciting study atherton provides an authoritative treatment of this iconic text its history and its legacy as such this important book will be a vital resource for all readers of old english literature and early medieval history

peter cornwell tells the story of the greatest air battle of the second world war when six nations were locked in combat over north western europe for a traumatic six weeks in 1940 he describes the day to day events as the battle unfolds and details the losses suffered by all six nations involved britain france holland belgium germany and rather belatedly italy as far as raf fighter squadrons in france were concerned it was an all hurricane show yet it was the blenheim and battle crews who suffered the brunt of the casualties every aircraft lost or damaged through enemy action while operating in france is listed together with the fate of the crews the raf lost more than a thousand aircraft of all types over the western front during the six week battle the french air force 1 400 but luftwaffe losses were even higher at over 1 800 aircraft

a good argument could be made that the battle of actium was the most significant military engagement in roman history on a bright september day the naval forces of octavian clashed with those of antony and cleopatra off the coast of western greece the victory octavian enjoyed that day set the state for forty four years of what would come to be known as the augustan peace and was in no small way the dawn of the roman empire yet despite its significance what exactly happened at actium has been a mystery despite significant labours and effort on the part of many classicists and military historians both amateur and professional professor lee fratantuono re examines the ancient evidence and presents a compelling and solidly documented account of what took place in the waters off the promontory of leucas in late august and early september of 31 b c

the battle of petersburg was the culmination of the virginia overland campaign which pitted the army of the potomac led by ulysses s grant and george gordon meade against robert e lee s army of northern virginia in spite of having outmaneuvered lee after three days of battle in which the confederates at petersburg were severely outnumbered union forces failed to take the city and their final futile attack on the fourth day only added to already staggering casualties by holding petersburg against great odds the confederacy arguably won its last great strategic victory of the civil war in the battle of petersburg june 15 18 1864 sean michael chick takes an in depth look at an important battle often overlooked by historians and offers a new perspective on why the army of the potomac s leadership from grant down to his corps commanders could not win a battle in which they held colossal advantages he also discusses the battle s wider context including politics memory and battlefield preservation highlights include the role played by african american soldiers on the first day and a detailed retelling of the famed attack of the first maine heavy artillery which lost more men than any other civil war regiment in a single battle in addition the book has a fresh and nuanced interpretation of the generalships of grant meade lee p g t beauregard and william farrar smith during this critical battle

includes pictures includes accounts of the fighting written by generals on both sides explains how francis scott key witnessed the battle and wrote the national anthem includes online resources and a bibliography for further reading includes a table of contents and the rockets red glare the bombs bursting in air gave proof through the night that our flag was still there francis scott key sandwiched between the revolution and the civil war the war of 1812 is one of america s forgotten conflicts and the stalemated nature of the war which resolved virtually none of either side s war aims has also ensured that it is often given merely a cursory overview indeed one of the few aspects of the war that remains common knowledge is that the most famous battle the battle of new orleans was fought after the treaty of ghent had formally ended the war one other famous aspect of the war is that one of the battles inspired francis scott key to pen the star spangled banner which ultimately became america s national anthem while the british horrified many americans with the ease in which they sacked the capital at washington they faced stiff resistance around baltimore with american forces successfully fighting a delaying action that allowed for a proper defense of the city and its harbor on september 13 1814 key and others bore witness to a heavy british bombardment of fort mchenry that lasted for over a day yet they proved unable to reduce the american defenses despite trying to land an invasion force outside the fort in the wake of the unsuccessful assault the british pulled back their forces spurring francis scott key to write the poem defence of mchenry ironically the lyrics to that poem would eventually go together with an old popular british hymn to produce america s star spangled banner the battle of baltimore during the war of 1812 the history of the battle that inspired the national anthem looks at the campaign that culminated with the battle and its influence on francis scott key along with pictures and a bibliography you will learn about the battle of baltimore like never before in no time at all

by the winter of 1810 11 the armies of napoleon had overrun most of spain and joseph bonaparte sat on the throne in madrid but the spanish government had found refuge in the fortress port

of cadiz and the spaniards refused to admit that they had been conquered with a british army under sir thomas graham helping to defend cadiz the spanish cause seemed certain to prevail but then the spaniards wanted to throw graham s force into a reckless battle against the french if the battle was won the siege of cadiz would be lifted if the battle was lost cadiz would be rendered defenseless and the spanish government left at the mercy of the invaders the opposing forces met on the heights of barossa in one of the most savage encounters of the peninsular war at stake was the very survival of the spanish nation and the future course of the war against napoleon the battle of barossa is the first book to examine this crucial campaign in detail and to reveal its true historical importance skyhorse publishing as well as our arcade imprint are proud to publish a broad range of books for readers interested in history books about world war ii the third reich hitler and his henchmen the jfk assassination conspiracies the american civil war the american revolution gladiators vikings ancient rome medieval times the old west and much more while not every title we publish becomes a new york times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

this stunning narrative of the epic battle of gettysburg begins with the clash of union and confederate armies at chancellorsville and concludes with robert e lee s retreat through pennsylvania and escape across the potomac award winning historian craig l symonds recounts the events of three hot brutal days in july when americans struggled battled one another across a dozen square miles of rolling pennsylvania countryside symonds details the military strategy of both sides including the confederate decision to invade the north the cat and mouse game in maryland and pennsylvania and finally the terrible clash of arms on the hills and fields of gettysburg firsthand accounts humanize generals and individual soldiers of the blue and gray who fought for their lives their homes and their convictions this is the story of gettysburg as it has never been told before

offers a historical retrospective on the most important battles of the past three thousand years describing in detail one hundred key military campaigns with commentary on the outcome of the conflict who won and lost the results of each war and its impact on world history and culture with a provocative afterword on the 2001 terrorist attacks on the world trade center and pentagon 20 000 first printing

this book reviews the battle from both the british and the german sides drawing on the latest research by military historians in both countries it brings together for the first time the facts the legends the memories and the judgement of historians in a panoramic re assessment of one of the most famous battles of all time

by the 1850s there were many economic and political differences between the northern and southern states in america the biggest difference was over the issue of slavery the south s economy depended upon slaves to work the plantations that grew crops such as tobacco and cotton in the north slavery was illegal when abraham lincoln an antislavery candidate was elected president in 1860 the south believed that their way of life would be destroyed soon after south carolina seceded or left the union more southern states followed they formed the confederate states of america a separate government anger built between the two sides finally on april 12 1861 southern forces bombed fort sumter in south carolina over the next four years many bloody battles were fought but none more terrible than the battle of antietam on september 17 1862 on that day more than 23 000 american soldiers were killed or wounded more than on any other day in u s history book jacket

a fascinating and informative analysis by a distinguished military historian of the 100 most influential battles in american history presented in an accessible ready reference format the battle of okinawa april june 1945 resulted in more u s navy casualties than all of the navy s previous wars combined these heavy casualties influenced the decision to employ the atomic bomb against japan that august this is just one of many instances in american military history when the outcome of a battle helped to establish the course of history the focus of this latest encyclopedia from esteemed historian spencer c tucker the 100 battles spotlighted in this work which include defeats as well as victories are deemed to have had the greatest impact on american history spanning more than 500 years of military events the book begins its coverage with the battle of mabila in 1540 during the age of discovery and ends with the second battle of falluja during the iraq war insurgency in 2004 expertly written informative and thoughtful this analysis will be insightful and interesting for all high school undergraduate and general readers
