during his first piano lesson matthew a 13 year old boy tells his new piano teacher mr darius that he hates practicing the piano the mysterious old piano teacher smiled slyly and

proclaimed as i said before you will never truly enjoy practicing or playing the piano until you get inside the music puzzled matthew asked mr darius what he meant all of a sudden the sheet music on the piano in front of him began to glow the sound of thunder echoed from the music and then a misty fog arose from the tattered and torn pages and then mystically and magically filled the room without any warning lightning burst from the music with a loud crack and immediately illuminated the room all at once multi colored beams of light instantly shot out from the old piano music in every direction various hues of color and dust that matthew thought must be fairy dust or something similar to it floated around the room what is happening mr darius matthew screamed in terror this is the start of your first piano lesson matthew you are finally going to get inside the music and discover what it is all about once and for all my young friend yelled mr darius over the howling wind and the mysterious screams coming from within the music it s time you learn the eternal importance of music and you can only do so within the musical realm explained mr darius matter of factly he smiled slyly almost mischievously and winked with his left eye with that matthew was sucked into the musical score and instantly disappeared matthew enters a series of worlds unlike any he has ever seen before his adventures take him on a search for the seven sacred seraphs the keepers of music his only hope of getting home is to find the council of creativity and bring peace and order to the musical realm matthew learns how to look to the light and listen to the music within he learns about the power of faith and overcoming the darkness of his fears

one day while sitting on a park bench mark was asked by an old man why do you do what you do why do you work where you work or live where you live whether we agree or not life really is about a series of paths and decisions whereby even one small change can alter our lives forever we usually want to blame others including god for our decisions only by examining the paths we have taken can we really see where we re at it is only when we look deep within ourselves we discover that as writers singers musicians interior decorators or even truck drivers we all have gifts having them is not to question rather it is what we do with them that really matters wherever your passions lie you can erase your doubts and restore your joy just imagine yourself on a park bench
