the dramatic history of the knights templar the most powerful military order of the crusades cover

the age of the crusades encompassed the rise and fall of a singular order of fighting men equally devoted to god war and the defense of palestine after the crusades the templars obeyed no one except the pope and acquired land and castles by gift conquest and purchase becoming a church within the church they were bankers merchants diplomats and tax gatherers and though they themselves were poor the wealth of their order was

legendary as the nation states arose the templars were accused of heresy treachery sodomy usury blasphemy and idolatry the author assesses the faults and fine qualities of the brotherhood examining the reasons for its initial allure and eventual ignominious obliteration

jochen burgtof is professor of medieval history in the department of history at california state university fullerton usa paul f grawford is assistant professor of history at california university of pennsylvania usa helen j nicholson is reader in history at cardiff university wales uk

the trial of the knights templar is one of the most infamous in history accused of heresy by the king of france the templars were arrested and imprisoned had their goods seized and their monasteries ransacked under brutal interrogation and torture many made shocking confessions denial of christ desecration of the cross sex acts and more this narrative follows the everyday reality of the trial from the early days of scandal and scheming in 1305 via torture imprisonment and the dissolution of the order to 1314 when leaders jacques de molay and geoffroy de charnay were burned at the stake through first hand testimony and written records of the interrogations of 231 french templars this book illuminates the stories of hundreds of ordinary members some of whom testified at the trial as well as the many others who denied the charges or retracted their confessions this is a deeply researched and immersive account that gives a striking vision of the relentless persecution and the oft underestimated resistance of the once mighty knights templar

the medieval historian who revealed the real history behind the da vinci code uncloaks the templars in the year 1119 these noblemen found their calling as protectors of the faithful on a dangerous pilgrimage to newly conquered jerusalem now historian sharan newman elucidates the mysteries and misconceptions of the templars from their true first founding and role in the crusades to more modern intrigues including were they devout knights or secret heretics did they leave behind a fantastic treasure hidden to this day how did they come to be associated with the holy grail did they come to america before the time of columbus does the order still exist

even 700 years after the suppression of the order of the temple and the execution of the last grandmaster jacques de molay there is no shortage of publications on this influential

military order yet unlike other medieval institutions the templars are subject to speculative fiction and popular myth which threaten to swamp the fruits of scholarly endeavour fortunately recent years have produced a thriving academic scholarship which is challenging these myths more and more sources are currently being edited particularly those for the trial of the templars 1307 1312 others are still awaiting indepth study among them surprisingly the greater part of the charters that cover more than 150 years of the order s history the papers in this volume step into this gap and critically evaluate new directions in templar studies on the basis of as yet unedited source material open issues and desiderata regarding the sources are discussed and from a range of inspiring results a new status quaestionis is proposed that will not only provide a better understanding of the order s archaeological economical religious administrative and military history but also set new points of departure for the editing of charters and administrative documents the papers here are grouped into six sections focusing on the headquarters of the order its charters manpower and finance religious life and finally the suppression and the order s afterlife

an order of warrior monks founded to protect pilgrims to jerusalem the templars were among the wealthiest and most powerful bodies in the medieval world yet two centuries later they were arrested accused of blasphemy heresy and orgies and their leaders were burnt at the stake part guide part history this book investigates the templar legends and legacy from the mysteries of solomon s temple in jerusalem via nineteenth century development of the freemasons through to templar appearances in dan brown and indiana jones this book explains the whole context of templar history including the recent evidence discovered by the vatican that the templars were not guilty of heresy it also features a guide to templar castles and sites

the author tells of the extraordinary organization of warrior monks who came to power during the crusades their wealth and power the reasons for their downfall and their passage into myth and legend

the internationally bestselling author of brethren and crusade tells the cataclysmic story of the last days of the knights templar robyn young s historical fiction has topped international bestseller lists and won praise from the likes of raymond khoury steve berry and alison weir the fall of the templars chronicles an era few people know about what happened when the templars returned from the crusades and found that the monarchs of

Europe did not want an army of religious warriors back on European soil leaving the Christian empire in the East in ruins. Knight Templar William Campbell returns to the West to discover that the Temple has forged an alliance with his enemy King Edward of England, vowing to help the king wage war on Scotland. This pact against his homeland strikes at the core of William's faith and allegiances while his daughter Rose is led into a dangerous affair in the French royal household. William now faces a choice: should he protect his family or lead his men into a new world? The fight for the Holy Land has ended, but the Temple's last battle has just begun.

The trial of the Templars in the British Isles, 1308-1311, is a largely unexplored area of history. Unlike the trial in France where the Templars were tortured into confessing to unspeakable activities, in the British Isles there were no burnings and only three confessions after torture. Several Templars went missing, most of whom later reappeared. Outsiders told stories of abominable Templar rituals, secret meetings, and murders at the dead of night, but all these tales turned out to be mere rumour. This book is based on extensive research into the records of the trial of the Templars and other unpublished medieval documents recording their arrest, imprisonment, and trial, and the surveys of their property. It traces the course of this, the first heresy trial in the British Isles, from the arrests in January 1308 to the dissolution of the order and shows how, by judicious selection of material, the inquisitors made the scanty evidence against the Templars appear convincing. The book includes a list of all the Templars in the British Isles at the time of the arrests and a gazetteer of the Templars' major properties in the British Isles.

Arguably one of the most provocative, puzzling, and misunderstood organizations of medieval times, the legendary Knights Templar have always been shrouded in a veil of mystery. While inspiring popular culture from Indiana Jones to Dan Brown, in the Templars author Michael Haag offers a definitive history of these loyal Christian soldiers of the Crusades, sworn to defend the Holy Land and Jerusalem but ultimately damned and destroyed by the Pope and his Church. A bestseller in the United Kingdom, the first history of the enigmatic warriors to include findings from the Chignon parchment, the long-lost Vatican document absolving the Knights of heresy, the Templars by Michael Haag is a fascinating reading.

As the oldest of the military religious orders and the one with an unexpected and dramatic downfall, the knighthood of the Templars continues to fascinate academics and

students as well as the public at large a collection of fifteen chapters accompanied by a historical introduction the templars the rise fall and legacy of a military religious order recounts and analyzes this community s rise and establishment in both the crusader states of the eastern mediterranean and the countries of western europe during the twelfth and thirteenth centuries reflects on the proceedings launched against it and its subsequent fall 1307 1314 and explores its medieval and post medieval legacy including an assessment of current research pertaining to the templars and suggestions for future explorations showcasing a wide range of methodological approaches and primary source materials this volume unites historical art historical theological archaeological and historiographical perspectives and it features the work and voices of scholars from various academic generations who reside in eight different countries israel france italy spain the united kingdom germany poland and the united states of america

this book presents for the first time an english translation of henri de curzon s 1886 edition of the french rule derived from the three extant medieval manuscripts both monastic rule and military manual the rule is a unique document and an important historical source the rule is divided into seven main sections the primitive rule hierarchical statutes penances conventual life the holding of ordinary chapters further details on penances and reception into the order there are details of the clothing armour and equipment to which each brother was entitled instructions to the brothers as to their conduct while on campaign and information on the daily life of the members of this most influential military order and on the monastic discipline which made it a formidable fighting force the rule evolved over almost one hundred and fifty years of the order s history and is thus a dynamic piece of work showing how the templars adapted to political change and formulated their disciplinary code an introduction gives the historical background to the rule and summarises the various sections from back cover

shrouded in myth and conspiracy the history of the knights templar is little understood geordie torr pulls fact from fiction revealing the astonishing tale of this military religious order that dominated the politics of the medieval middle east initially created to protect christian pilgrims to the holy land in the wake of the first crusade the templars soon became an institution of incredible power possessing wealth and influence throughout the courts of europe yet just two centuries later they dramatically fell as its members were accused of heresy and burned at the stake set against the dramatic backdrop of the wars

between christians and muslims this illustrated book brings to life the legacy of this secretive order and the characters who defined the era

barbara frale gives us an explosive exhaustively researched history of the medieval world s most powerful military order the templars at its height the order of the knights templar rivaled the kingdoms of europe in military might economic power and political influence for 700 years the tragic demise of this society of warrior monks amid accusations of heresy has been plagued by controversy in part because the transcript of their trial by the inquisition which held the key to the truth had vanished templar historian barbara frale happened to be studying a document at the vatican secret archives when she suddenly realized that it was none other than the long lost transcript it revealed that pope clement v had absolved the order of all charges of heresy the templars chronicles the spectacular rise and fall of the organization against a sweeping backdrop of war religious fervor and the struggle for dominance and finally lifts the centuries old cloak of mystery surrounding one of the world s most intriguing secret societies

dan jones is an entertainer but also a bona fide historian seldom does one find serious scholarship so easy to read the times book of the year a new york times bestseller this major new history of the knights templar is a fresh muscular and compelling history of the ultimate military religious crusading order combining sensible scholarship with narrative swagger simon Sebag Montefiore author of *Jerusalem: A Faltering War in the Middle East* a band of elite warriors determined to fight to the death to protect christianity s holiest sites a global financial network unaccountable to any government a sinister plot founded on a web of lies *Jerusalem 1119* a small group of knights seeking a purpose in the violent aftermath of the first crusade decides to set up a new order these are the first knights templar a band of elite warriors prepared to give their lives to protect christian pilgrims to the holy land over the next two hundred years the templars would become the most powerful religious order of the medieval world their legend has inspired fervent speculation ever since in this groundbreaking narrative history dan jones tells the true story of the templars for the first time in a generation drawing on extensive original sources to build a gripping account of these christian holy warriors whose heroism and alleged depravity have been shrouded in myth the templars were protected by the pope and sworn to strict vows of celibacy they fought the forces of islam in hand to hand combat on the sun baked hills where jesus lived and died finding their nemesis in saladin

who vowed to drive all christians from the lands of islam experts at channeling money across borders they established the medieval world s largest and most innovative banking network and waged private wars against anyone who threatened their interests then as they faced setbacks at the hands of the ruthless mamluk sultan baybars and were forced to retreat to their stronghold in cyprus a vindictive and cash strapped king of france set his sights on their fortune his administrators quietly mounted a damning case against the templars built on deliberate lies and false testimony on friday october 13 1307 hundreds of brothers were arrested imprisoned and tortured and the order was disbanded amid lurid accusations of sexual misconduct and heresy they were tried by the pope in secret proceedings and their last master was brutally tortured and burned at the stake but were they heretics or victims of a ruthlessly repressive state dan jones goes back to the sources to bring their dramatic tale so relevant to our own times to life in a book that is at once authoritative and compulsively readable

in 1187 nearly a century after the victorious first crusade saladin captured jerusalem the templars headquartered on the temple mount were driven from the city along with the frankish population the fall of jerusalem was a turning point the start of a narrative of desperate struggle and relentless loss in little more than a century a city would be destroyed the franks driven from outremer and the templars themselves reviled and disgraced would face their final immolation michael haag s new book explores the rise and fall of the templars against the backdrop of the crusader ideal and their settlement venture in outremer haag argues that the crusader states were a rare period when the population of palestine had something approaching local rule representing local interests and the fall of jerusalem to saladin was a disaster he contends that the templars as defenders of the crusader states were made scapegoats for a europe whose newfound nationalism caused it to withdraw support for the crusader venture throughout he charts the templars rise and fall in gripping narrative with their beliefs and actions set in the context of their time

addison s the history of the knights templar is a fascinating history of the ancient order published in the 19th century the order of the temple of solomon also known as the templars or the knights templar is one of the best known and least understood groups in history they appear prominently in everything from novels the da vinci code to films as the knights of the cruciform sword in indiana jones and the last crusade to videogames

assassin s creed in these stories they are a sinister cult that manipulated historical events since the middle ages via intimidation and assassination they are usually connected to the freemasons and sometimes to other historical cults like the hindu thuggees the real templars were both more mundane and more fascinating than the myths and legends they were the first military religious order monks who were also knights the founding members were veterans of the first crusade in palestine and their main goal was in fact benign they formed their group as a small tertiary order lay people who took monastic vows but lived in the larger community in jerusalem policing the pilgrim routes and shrines of the levant and protecting travelers from the many bandits that infested the area even though they were used as the core of crusader armies during the later crusades the templars never wavered from their original goal the templars were split into knights about ten percent of the order sergeants and chaplains the other ninety percent with the non noble sergeants comprising the majority of the order according to historians like malcolm barber in his history of the order the new knighthood the knights fought in the main part of the templar army but the sergeants appear to have backed up the knights in battle both as horsemen and as a small infantry the sergeants also worked as servants and in non military support functions on the templar farms granges that supported the order the chaplains were a small group of priests who were rotated into the order on a temporary basis and served the monks religious needs like other secretive groups the mystery surrounding the templars has helped their legacy endure while some conspiracy theorists attempt to tie the group to other alleged secret societies like the illuminati other groups have tried to assert connections with the templars to bolster their own credentials who they were and what they had in their possession continue to be a source of great intrigue even among non historical circles

the lives of the medieval templars seem hidden and mysterious helen nicholson discovers their everyday world set out in the early fourteenth century records from their trial from buildings food and drink to employees tenants and making money drawing this evidence together she produces a fascinating insight into the lives of these famous men
