this book is about dealing with messes sometimes known as wicked problems messes or

messy situations are fairly easy to spot it's hard to know where to start we can't define them everything seems to connect to everything else and depends on something else having been done first we get in a muddle thinking about them we often try to ignore some aspects of them when we finally do something about them they usually get worse they're so entangled that our first mistake is usually to try and fix them as we would fix a simple problem
