the care quality commission is the independent regulator of health care and adult

social care services in england this report describes the state of health care and adult social care services in england in 2011 12 the report has two main sections dealing with the shape of care provision and the quality and safety of services each section looks at the different care sectors in turn nhs healthcare independent healthcare dental care and adult social care overall the care quality commission found that the increasing complexity of conditions and greater co morbidities experienced by people are impacting on the ability of care providers to deliver person centred care that meets individuals needs it is also seeing increasing pressures on staff both in terms of the skills required to care for people with more complex conditions and in terms of staff numbers

available open access digitally under cc by nc nd licence this book provides an in depth sociolegal examination of adult social care law and policy during the covid 19 pandemic it explores the tensions between legislation policy and practice in what was already an under resourced and overstretched sector the authors interrogate the vision and utility of the care act 2014 and explore the impact of emergency legislation and operational changes implemented during the pandemic detailing what happened to social care provision during this time of intense stress and turbulence for people who draw on services for informal carers and for those who work in the sector the book highlights fault lines in the system this is an invaluable resource offering timely lessons for adult social care reform and future pandemic preparedness planning

drawing on the expertise of researchers educators practitioners and those with lived experience of accessing social work and social care services this book presents both an objective and practice relevant overview of strengths based practice in the uk and international examples of strengths based practice being applied in other contexts the potential benefits for individuals families and communities of social work adopting a strengths based approach in adult social work and social care are widely recognised across the four nations of the uk despite this there remains much uncertainty about what good strengths based approaches are and how they can be practically supported in practice policy and research presenting a contemporary picture of how strengths based practice is understood within a uk social work and social care context within each of the home nations this book draws on the latest research and practice knowledge to discuss and critique the impacts and implementation of the main strength based models drawing on learning from other countries and practice within children s services it also reflects on the theoretical thinking which underpins strengths perspectives and identifies future challenges and opportunities within adult social work and social care in the uk it will be of interest to all scholars students and practitioners of social work and social care across all four nations of the uk and those from other countries who are interested in

international learning

between april 2012 march 2013 the commission carried out 35 000 inspections of health and social care services in england the state of care report brings together their findings about the quality of these services and also takes a special look at the pressures on accident and emergency it covers quality of the nhs independent healthcare adult social care and primary dental care some key findings included that 1 in 5 nursing home inspections revealed safety concerns 47 of problems uncovered in the nhs were judged to have major or moderate impact on patients 1 in 10 independent healthcare inspections were not meeting standards of safeguarding and safety and 7 of dental care inspections raised concerns relating to safeguarding and safety

social work with adults is a definitive and accessible textbook on adult services for both undergraduate and postgraduate students adult social work is a complex and demanding area of practice that is constantly evolving practitioners in the field need to develop a depth of understanding critical analysis reflection and creativity as well as a capacity for dealing with change and the challenges that arise as a consequence this invaluable book explores developments in working with adults from the days of the poor laws to current policies on personalisation in a dynamic and informative way written with expertise gained either through professional roles or through life experience and sometimes both the book captures the voices and personal experiences of practitioners and service users as well as those of academics and trainers these experts examine the social and political contexts that frame social work and share their insights and understanding around the topic bringing the dilemmas and discourses to life this is essential reading for undergraduate and postgraduate students as well as those already working with adults in social work and social care who will find new ideas and innovative perspectives to enhance their practice contributors ian devereux felicity elvidge donna francis keith french edith lewis charley melville wiseman julie potten marilyn russell louise watch mark wiles and yolaine jacquelin this is a well written authoritative and accessible text that would be a good resource for anyone wanting to learn about social work with adults in the uk each chapter is well organised with clearly expressed learning outcomes and with thoughtful activities included to support learning dr peter scourfield peter scourfield senior lecturer in social work anglia ruskin university cambridge uk few texts capture or combine the perspectives and experiences of both adult service users and those social workers who seek to support and work alongside them this one does and should be applauded for this the reader gains a real sense of each contributor as a person and as a professional and or service user this is above all a positive forward looking book and one which i recommend to students practice educators and university lecturers alike jem price

social worker and senior lecturer university of brighton uk the ever changing face of adult social care means that there is considerable need for a title like this for practitioners and students struggling to understand the shifting sands on which they work i consider this a very useful resource dr andy mantell senior lecturer social work dept university of chichester uk

health and social care reforms and cuts in services and finances are part of the everyday fabric of the social work landscape this book takes a critical approach to the transformation agenda and the implications for adult health and social care fully informed by theory research policy and legislation the book uses a problem based learning approach through the application of case studies to explain and explore the overlapping roles of social care and social policy the book argues for the continued significance and importance of social work within the context of adult social care it shows that social work can make a difference in the lives and experiences of many of the people who are perceived as being the most vulnerable people in society this text is essential reading for students of social work and social policy health and social care courses and other professional disciplines social work educators and practitioners and managers working in social care

adult social care in britain has been at the centre of much media and public attention in recent years revelations of horrific abuse in learning disability settings the collapse of major private care home providers abject failures of inspection and regulation and uncertainty over how long term care of older people should be funded have all given rise to serious public concern in this short form book part of the critical and radical debates in social work series iain ferguson and michael lavalette give an historical overview of adult social care the roots of the current crisis are located in the under valuing of older people and adults with disabilities and in the marketisation of social care over the past two decades the authors critically examine recent developments in social work with adults including the personalisation agenda and the prospects for adult social care and social work in a context of seemingly never ending austerity

adult social care was the first major social policy domain in england to be transferred from the state to the market there is now a forty year period to look back at to consider the thinking behind the strategy the impacts on commissioners and providers of care on the care workforce and on those who use care and support services in this book bob hudson meticulously charts these shifts he challenges the dominant market paradigm explores alternative models for a post covid 19 future and locates the debate within the wider literature on political thinking and policy change

adult social care has emerged as a distinct policy area in the uk and one which has come under increasing scrutiny by government and other bodies with the expectation that in future many more adults will need care and support ideas have emerged about a transformation of adult social care the focus of this wide ranging book is on the major themes in policy and provision including personalisation integration user participation the cost of long term care risk and safeguarding care quality and workforce issues and is one of the first texts to deal with adult social care as a distinct entity and is an up to date source on contemporary government policies debates and research the book encourages readers to think critically about decisions being made and about the direction of future policy the accessible book will be a valuable resource for undergraduate students in social policy health and social care and social work those taking advanced vocational qualifications in social care and practitioners
