hank hanegraaff reveals the code to revelation breaking the code of the book of revelation  
has become an international obsession the result according to hank hanegraaff has been  
rampant misreading of scripture bad theology and even bad politics and foreign policy  
hanegraaff argues that the key to understanding the last book of the bible is the other sixty  
five books of the bible not current events or recent history and certainly not any  
complicated charts the apocalypse code offers sane answers to some very controversial
