as the market leading textbook on the subject project management the managerial process 4e is distinguished by its balanced treatment of both the technical and behavioral issues in project management as well as by its coverage of a broad range of industries to which project management principles can be applied it focuses on how project management is integral to the organization as a whole the 4th edition reflects the latest changes found in the practice other texts discuss the topics covered in this text but they do not view oversight as the project manager s operating environment as does gray larson

originally published in 1963 by r d irwin the management process presents new and traditional subject matter in a diff erent context because it is felt that greater emphasis should be given to the interaction of the management functions all managers plan organize and control the work of others but not in a simple sequential pattern managing is a continuous operation or process involving the interaction of these functions managers must plan for organizing activity organize for it and control it and they must perform these same functions for control it is felt that practicing managers do in eff ect think in these terms consequently an analysis of traditional and other materials in this context should not only be more realistic but also more meaningful to the student or practitioner reference to the chapter headings in the table of contents will illustrate the way in which this interaction approach provides a basic framework for the organization of this book as a text this book is intended for a fi rst course in management or a more advanced course depending upon the characteristics of the curriculum in which it is used no specifi c course preparation however need be regarded as prerequisite to its use

usa management development guide on contemporary personnel management covers the definition historical aspects the systems analysis and behavioural sciences approach to management processes such as decision making recruitment personneling job design promotion organization development leadership styles manager characteristics incl woman manager management attitude towards collective bargaining etc diagrams flow charts references and statistical tables
