positions the history and inner workings of the natal indian congress nic against the canvas of the major political developments in south africa during the 1970s and 1980s up to the first democratic elections in 1994 following a hiatus in the 1960s the natal indian congress nic in south africa was revived in 1971 in fascinating detail ashwin desai and goolam vahed bring the inner workings of the nic to life against the canvas of major political developments in south africa during the 1970s and 1980s and up to the first democratic elections in 1994 the nic was relaunched during the rise of the black consciousness movement which attracted a following among indian university students and whose invocation of indians as black led to a major debate about ethnic organisations such as the nic this debate persisted in the 1980s with the rise of the united democratic front and its commitment to non racialism the nic was central to other major debates of the period most significantly the lines drawn between boycotting and participating in government created structures such as the tri cameral parliament despite threats of banning and incarceration the nic kept attracting recruits who encouraged the development of community organisations such as students radicalised by the 1980s education boycotts and civic protests colour class and community the natal indian congress 1971 1994 details how some members of the nic played dual roles

as members of a legal organisation and as allies of the african national congress underground armed struggle drawing on varied sources including oral interviews newspaper reports and minutes of organisational meetings this in depth study tells a largely untold history challenging existing narratives around indian cabalism and bringing the african and indian political story into present debates about race class and nation

san francisco s international hotel is part history and part memoir it presents the struggle to save the international hotel in the san francisco neighborhood known as manilatown which culminated in 1977 with the eviction of elderly tenant activists in telling this compelling story estella habal features her own memories of the antieviction movement focusing on the roles of filipino americans and their participation in both the anti eviction protests and the nascent asian american movement book jacket

although it is one of the least known social movements of the 1960s and 1970s the asian american movement drew upon some of the most powerful currents of the era and had a wide ranging impact on the political landscape of asian america and more generally the united states using the racial discourse of the black power and other movements as well as antiwar activist and the global decolonization movements the asian american movement succeeded in creating a multi ethnic alliance of asians in the united states and gave them a voice in their own destinies rethinking the asian american movement provides a short accessible overview of this important social and political movement highlighting key events and key figures the movement s strengths and weaknesses how it intersected with other social and political movements of the time and its lasting effect on the country it is perfect for anyone wanting to obtain an introduction to the asian american movement of the twentieth century

the number variety and political prominence of non governmental organization in the philippines present a unique opportunity to study citizen activism nearly 60 000 in number by some estimates grassroots and support organizations promote the interests of farmers the urban poor women and indigenous peoples they provide an avenue for political participation and a mechanism unequaled elsewhere in southeast asia for redressing the inequities of society organizing for democracy brings together the most recent research on these organizations and their programs in the first book addressing the political significance of ngos in the philippines

asian americans as a force for political change on both sides of the pacific
