the voice and writings of white supremacists provide the basis for abby ferber s provocative critique of america s most extreme form of racism using excerpts and illustrations from such rarely seen publications as national vanguard white patriot and white power this new book explores the world of white supremacists and the way they imagine racial and gender identity ferber examines their belief that white men are becoming victims and their response to this threat the reassertion of white male power this book provides a history of race as a concept as well as an account of the white supremacist movement including such groups as the ku klux klan the neo nazis and skinheads ferber puts this movement into a wider context arguing that in important respects white supremacist ideology resembles that of the mainstream by sharing basic assumptions about race and gender white man falling is a startling portrait of the perception that white masculinity is in crisis and white supremacist

attempts to reassert dominance the end picture is one that holds serious repercussions not only for the future of the white man but for all people

it is not a matter of argument among the vast majority of scholars but of demonstrable fact white supremacy includes both individual prejudice and for instance the long history of the disproportionate incarceration of people of color it describes a legal system still predisposed towards racial inequality even when judge counsel and jurors abjure racism at the individual level it is collective and individual it is old and immediate some white supremacists turn to violence but there are also a lot of people who are individually white supremacist some openly so and reject violence this field guide proposes that a better understanding of hate groups white supremacy and the ways that racism and patriarchy have braided into our laws and systems can help people to tell and understand better stories

white supremacist groups have traditionally been viewed as fringe groups to be ignored dismissed or at most observed warily white lies investigates the white supremacist imagination and argues instead that the ideology of these groups is much closer to core american values than most of us would like to believe the book explores white supremacist ideology through an analysis of over 300 publications from a variety of white supremacist organizations it examines the discourse of these publications and the ways in which whites blacks and jews are constructed within that discourse

the story of three locations in the united states in mississippi minnesota and oklahoma where the indigenous people were driven out by european colonists where vicious racial killings took place in the last century and how these places are coming to terms with the past creating new organizations dedicated to racial repair and reconciliation as they aspire to a more inclusive more promising future

this volume examines the ways in which the media including film television social media and gaming has constructed and sustained a narrative of white supremacy that has entered mainstream american discourse with chapters by today's preeminent critical race scholars the book looks in particular at the ways media institutions have circulated white supremacist ideology across a wide range of platforms and texts that have had significant impact on shaping our current polarized and racialized social and political landscape systematically scrutinizing every media platform this volume provides readers with an understanding of the ways in which media has provided institutional support for white supremacist ideology and presents them with the means to examine and analyze the persistence of these narratives within our racial discourse thus offering the necessary knowledge to challenge and transform these racially divisive and destructive narratives white supremacy and the american media will be of interest not only to scholars working in critical race studies and popular culture in the united

states but also to those working in the fields of film and television studies sociology geography art history communication and media studies cultural studies american studies popular culture and media studies

how christian supremacy gave birth to white supremacy the witchcraft of white supremacy when words create worlds the symbolic capital of new testament love the cruciform christ christian love in a weighted world

white supremacy and american style individual autonomy are mutually supportive and co dependent attacking white racism will not dislodge white supremacy which the author contends is the greatest danger facing america that can only be accomplished by making concurrent and significant modifications in american individualism yet white supremacist thinking feeling and acting and american individualism are protected by what the author describes as the white supremacist collective unconscious a culturally determined mental construct that americans assimilate as they grow into adulthood which endows all americans regardless of race with a white supremacist mental orientation to one degree or another drawing on his personal experiences as an african american growing up in the united states and on his research the author details the development and workings of that unconscious and the impact of white supremacy on the national character in this provocative personal and engaging volume so timely in its intervention ronald richardson gives us a new way of looking at ourselves how we came to be and the inescapable role white supremacy has played in the unfolding henry louis gates jr alphonse fletcher university professor harvard university this is a brave and candid book centered on the psychology and vexed history of race and the white ascendancy in the united states the gaze is unblinking the analysis rigorous and the conclusions judicious professor richardson has composed a most impressive study drawing on the provocative ideas of varied thinkers among whom fanon jung kierkegaard kakuzo okakura and his own experience stretching from childhood to youth to distinguished scholar david mayers is professor history department political science department boston university

an anthology of original essays that examine white supremacy around the globe through the lens of anthropology white supremacy an entrenched global system that emerged alongside european colonialism is based on presumed biological and cultural differences racist practices the hypervaluation of whiteness and the devaluation of nonwhites anthropology has been shaped by and has helped to shape white supremacy yet the discipline also offers powerful tools for understanding this system at a global scale the anthropology of white supremacy gathers original essays from a diverse international group of anthropologists to explore how this phenomenon works both within anthropology and in cultural and political structures around the world the book features historical and ethnographic analysis about brazil iceland japan mexico nigeria palestine senegal south africa and the united states and addresses the ways white supremacy impacts a broad range of issues including finance advertising and media representations militarism police training migration and development the anthropology of white supremacy demonstrates

not only how anthropology can help us to better comprehend white supremacy but also how the discipline can help us begin to dismantle it the contributors include omolade adunbi samar al bulushi aisha m beliso de jesús michael l blakey mitzi uehara carter subhadra mitra channa celina de sá vanessa díaz britt halverson faye v harrison sarah ihmoud anthony r jerry darryl li kristín loftsdóttir christopher a loperena keisha khan y perry jemima pierre jean muteba rahier laurence ralph renya k ramirez junaid rana joshua reno rhea rahman jonathan rosa shalini shankar shannon speed and maria dyveke styve

the new york times and usa today bestseller this eye opening book challenges you to do the essential work of unpacking your biases and helps white people take action and dismantle the privilege within themselves so that you can stop often unconsciously inflicting damage on people of color and in turn help other white people do better too layla saad is one of the most important and valuable teachers we have right now on the subject of white supremacy and racial injustice new york times bestselling author elizabeth gilbert based on the viral instagram challenge that captivated participants worldwide me and white supremacy takes readers on a 28 day journey complete with journal prompts to do the necessary and vital work that can ultimately lead to improving race relations updated and expanded from the original workbook downloaded by nearly 100 000 people this critical text helps you take the work deeper by adding more historical and cultural contexts sharing moving stories and anecdotes and including expanded definitions examples and further resources giving you the language to understand racism and to dismantle your own biases whether you are using the book on your own with a book club or looking to start family activism in your own home this book will walk you step by step through the work of examining examining your own white privilege what allyship really means anti blackness racial stereotypes and cultural appropriation changing the way that you view and respond to race how to continue the work to create social change awareness leads to action and action leads to change for readers of white fragility white rage so you want to talk about race the new jim crow how to be an anti racist and more who are ready to closely examine their own beliefs and biases and do the work it will take to create social change layla saad moves her readers from their heads into their hearts and ultimately into their practice we won t end white supremacy through an intellectual understanding alone we must put that understanding into action robin diangelo author of new york times bestseller white fragility

reads white supremacist narratives in the context of black and white literature at the turn of the century with special attention to the interconnections between race and sexuality

in this exploration of the way racism is translated from the print only era to the cyber era the author takes the reader through a devastatingly informative tour of white supremacy online the book examines how white supremacist organizations have translated their printed publications onto the internet included are examples of open as well as cloaked sites which disguise

white supremacy sources as legitimate civil rights websites interviews with a small sample of teenagers as they surf the web show how they encounter cloaked sites and attempt to make sense of them mostly unsuccessfully the result is a first rate analysis of cyber racism within the global information age the author debunks the common assumptions that the internet is either an inherently democratizing technology or an effective recruiting tool for white supremacists the book concludes with a nuanced challenging analysis that urges readers to rethink conventional ways of knowing about racial equality civil rights and the internet

state of white supremacy investigates how race functions as an enduring logic of governance in the united states perpetually generating and legitimating racial hierarchy and privilege

how did america become a nation obsessed with race a time for change how white supremacy ideology harms all americans explores america s beginnings as a class based society the creation of america s racial consciousness through the invention of the social construction of whiteness and the ways in which white supremacist ideology has been infused reinforced and perpetuated in the collective american mind and culture through the utilization of stereotypical images of blacks the purpose of this book is to explore how the ideology of white supremacy has done immeasurable damage to all americans whites as well as blacks and other persons of color in this context the relationship between racism and classism is explored this book provides an opportunity by which those americans who identify and are perceived as white can engage in a process of self reflection to transcend one s attachment to the social construction of whiteness and white supremacy ideology that have been forced upon them it is the premise of this book that racial healing in this nation can only occur through a true examination of america s history as well as individual and collective responsibility and efforts to undo over 300 years of racist cultural conditioning

white too long draws on history statistics and memoir to urge that white christians reckon with the racism of the past and the amnesia of the present to restore a christian identity free of the taint of white supremacy

racism has deep roots in both the united states and europe this important book examines the past present and future of racist ideas and politics it describes how policies have developed over a long history of european and white american dominance of political institutions that maintain white supremacy gives examines the connections between immigration policy and racism that have contributed to the rise of anti immigrant radical right parties in europe the rise of trumpism in the us and the brexit vote in the uk this book provides a vital springboard for people organizations and politicians who want to dismantle structural racism and discrimination

through the life of benjamin ryan tillman 1847 1918 south carolina s self styled agrarian rebel this book traces the history of white male supremacy and its discontents from the era of plantation slavery to the age of jim crow as an anti reconstruction guerrilla democratic activist south carolina governor and u s senator tillman offered a vision of reform that was proudly white supremacist in the name of white male militance productivity and solidarity he justified lynching and disfranchised most of his state s black voters his arguments and accomplishments rested on the premise that only productive and virtuous white men should govern and that federal power could never be trusted over the course of his career tillman faced down opponents ranging from agrarian radicals to aristocratic conservatives from woman suffragists to black republicans his vision and his voice shaped the understandings of millions and helped create the violent repressive world of the jim crow south friend and foe alike and generations of historians interpreted tillman s physical and rhetorical violence in defense of white supremacy as a matter of racial and gender instinct this book instead reveals that tillman s white supremacy was a political program and social argument whose legacies continue to shape american life

the contributors to disrupting white supremacy from within an all white group of theologians ethicists teachers ministers and activists propose that a fundamental part of the answer to these two questions lies in white peoples unwillingness to admit understand and confront the power of white supremacy in their own lives through careful thoughtful examination of the nature and workings of race racism and white supremacy the contributors have provided a resource that will help white people do their own work of confronting and understanding the impact of white supremacy in the malformation of their own souls acknowledging its devastating effects on people of color and taking their own steps toward its abolishment

reads white supremacist narratives in the context of black and white literature at the turn of the century with special attention to the interconnections between race and sexuality

white supremacists today constitute the most significant threat of domestic terror in the united states but the federal government lacks a comprehensive and cohesive strategy for addressing the problem in recent years we ve seen white supremacists increasingly resorting to the use of violence to achieve their ideological objectives and today for the first time since september 11 2001 more people have been killed in racially motivated or right wing terrorist incidents in the united states than in attacks perpetrated by islamic extremists if we are to marginalize and isolate white nationalist terrorism a whole of society effort is required one that encompasses civil society and the private sector as well as government chapter 1 will examine the government s efforts to collect accurate statistics on and combat white supremacist hate crimes and domestic terror it will also discuss the impact on the communities most victimized and targeted by white supremacists chapter 2 will examine the efforts of the federal bureau of investigation fbi and the department of homeland

security dhs to combat white supremacist extremist violence including their budgets and allocations of personnel data collection practices and strategic plans chapter 3 looks at white supremacist violence as a transnational terrorist threat to national security the domestic and global threat of white nationalist terrorism is discussed in chapter 4

the ku klux klan and the white aryan resistance are among the white supremacist organizations profiled in this riveting anthology authors examine the history and the strategies of the white supremacy movement recount the personal stories of white supremacists and their victims and suggest measures designed to combat the growth of white supremacy
