sara cone bryant presents a selection of entertaining and fun stories for parents to read to young children many with morals and memorable conclusions drawing her selection from traditional folk tales and her own imagination bryant offers a well rounded and impressive set of stories perfect for bedtime this book s introduction takes the form of a storytelling guide the parent is told how to properly read a children s story what to emphasize and how to narrate the dialog so that the child s attention doesn t wander and they gain the greatest benefit from the telling many classics are recognizably

adapted for this volume such as the gingerbread man and david and goliath other stories evoke country traditions with farm animals and adventures a frequent theme we also witness stories that draw upon the old legends of past kingdoms and cultures lending an exotic and interesting flair to the collection in all this book offers parents and children varied and rewarding reading experience

an educator s manual for teachers leaders and students of oral storytelling arts developed by a ph d professor who has worked extensively with all ages k 16

whether presenting their versions of real events or making up tales of adventure and discovery children enchant us with their stories but the value of those stories goes beyond their charm storytelling is an essential form through which children interpret their own experiences and communicate their view of the world each narrative presented by a child is a brushstroke on an evolving self portrait a self portrait the child can reflect on refer to and revise in the stories children tell developmental psychologist susan engels examines the methods and meanings of children s narratives she offers a fascinating look at one of the most exciting areas in modern psychology and education what is really going on when a child tells or writes a story engel s insights into this provocative question are drawn from the latest research findings and dozens of actual children s tales compelling funny sometimes disturbing stories often of unexpected richness and beauty in the stories children tell susan engel examines the different functions of storytelling the way the storytelling process changes as children develop the contributions of parents and peers to storytelling the different types of stories children tell the development of a child s narrative voice the best way of nurturing a child s storytelling skills throughout these discussions engel presents compelling evidence for what is perhaps her most intriguing idea that in constructing stories children are constructing themselves

insightful draws from disparate corners of history and science to celebrate our compulsion to storify everything around us the new york times book review humans live in landscapes of make believe we spin fantasies we devour novels films and plays even sporting events and criminal trials unfold as narratives yet the world of story has remained an undiscovered and unmapped country it s easy to say that humans are wired for story but why in this delightful original book jonathan gottschall offers the first unified theory of storytelling he argues that stories help us navigate life s complex social problems just as flight simulators prepare pilots for difficult situations storytelling has

evolved like other behaviors to ensure our survival drawing on the latest research in neuroscience psychology and evolutionary biology gottschall tells us what it means to be a storytelling animal did you know that the more absorbed you are in a story the more it changes your behavior that all children act out the same kinds of stories whether they grow up in a slum or a suburb that people who read more fiction are more empathetic of course our story instinct has a darker side it makes us vulnerable to conspiracy theories advertisements and narratives about ourselves that are more truthy than true national myths can also be terribly dangerous hitler s ambitions were partly fueled by a story but as gottschall shows stories can also powerfully change the world for the better we know we are master shapers of story the storytelling animal finally reveals how stories shape us lively san francisco chronicle absorbing minneapolis star tribune one of my favorite evolutionary psych writers always insightful and witty steven pinker

can you captivate an audience with your story many of us would love to hold the attention of a crowd a classroom or just a group of our friends by telling them a great story we have felt the pressure of a public presentation or the disappointment of telling a story that others ignore we are ready to be heard ready to captivate in the art of storytelling john walsh takes us through the steps to presenting a compelling story outlining the strategies that helped him move from stutterer to storyteller this book will help any person with a story to share by walking you through all aspects of presentation from what to do with your hands as you speak all the way to crafting a killer ending whether you re telling bedtime stories to your children or bible stories to a congregation this book will take your storytelling to a new level

have you ever wondered what makes storytelling and digital media a powerful combination this edited volume examines the opportunities to think do and or create jointly afforded by digital storytelling the editors of this volume contend that digital storytelling and digital media can create spaces of empowerment and transformation by facilitating multiple kinds of border crossings and convergences involving groups of peoples places knowledge methodologies and teaching pedagogies the book is unique in its inclusion of anthropologists and education practitioners and its emphasis on multiple subfields in anthropology the contributors discuss digital storytelling in the context of educational programs teaching anthropology and ethnographic research involving a variety of populations and subjects that will appeal to researchers and practitioners engaged with qualitative methods and pedagogies that rely on media technology
