judith perraino investigates how music has been used throughout history to call into question norms of gender and sexuality beginning with an examination of the mythology surrounding the sirens she goes on to consider musical creatures gods humans and music addled listeners

a masterful history of the queer workforce in america workplaces have traditionally been viewed as straight spaces in which queer people passed as a result historians have directed limited attention to the experiences of queer people on the job queer career rectifies this offering an expansive historical look at sexual minorities in the modern american workforce arguing that queer workers were more visible than hidden and against the backdrop of state aggression vulnerable to employer exploitation margot canaday positions employment and fear of job loss as central to gay life in postwar america rather than finding that many midcentury employers tried to root out gay employees canaday sees an early version of don t ask don t tell in all kinds of work as long as queer workers were discreet they were valued for the lower wages they could be paid their contingency their perceived lack of familial ties and the ease with which they could be pulled in and pushed out of the labor market across the socioeconomic spectrum they were harbingers of post fordist employment regimes we now associate with precarity while progress was not linear by century s end some gay workers rejected their former discretion and some employers eventually offered them protection unattained through law pushed by activists at the corporate grass roots business emerged at the forefront of employment rights for sexual minorities it did so at least in part in response to the way that queer workers aligned with and even prefigured the labor system of late capitalism queer career shows how queer history helps us understand the recent history of capitalism and labor and rewrites our understanding of the queer past

the first book to focus specifically on the women of the counterculture movement reveals how hippie women launched a subtle rebellion by rejecting their mothers suburban domesticity in favor of their grandmothers agrarian ideals which assigned greater value to women s contributions
