mark davidson author of daniel revisited has created a unique interpretation of end time bible prophecy using the ancient concentric reading method known as chiastics lost centuries ago it was rediscovered by seminary scholars in the eighteenth century this reading method reveals the form of the scripture text via the flow of its words giving us a heightened sensitivity to the words in the text when combined with the words meanings we receive a greater understanding of prophetic scripture in daniel revisited davidson showed us the four signposts four events prophesied in daniel 7 and 8 and revelation 6 to occur in the middle east prior to the rapture and tribulation now in chronicles of the end times chiastic reading has been applied to all of daniel revelation and other books pulling back the veil further to expand our view from four events to all the main events from the middle east to the ends of the earth a chiastic reading of daniel zechariah 1 6 matthew 23 25 and revelation all shown in ninety illustrations yields many solid answers to the following questions as well as to many others how do daniel 2 and 7 interact and why are the kingdoms metals and beasts what s the purpose of daniel s aramaic chapters and how do they affect the end times which parts of daniel 11 are to be fulfilled in ancient times versus end times what is the real identity of mystery babylon and how does this help us in the end times how do the two scrolls of revelation give greater understanding of the trumpets and bowls what are the seven events of the end times and which one is next this all may seem incredible for one book but is nevertheless true the chiastic reading of bible prophecy revolutionizes our view of the end times and how we read bible end time prophecy

just as jesus christ promised a book that simplifies and clarifies the end times prophecies is finally here a house divided chronicles in easy to understand terms the entire end times scenario including seven easy to remember end events after years of scouring numerous passages and gathering all the prophecies scattered throughout the old and new testaments of the bible the author has been able to piece together the prophecies to form a single coherent picture of the end times during the process of gathering together the prophecies the author also discovered a profound prophecy concerning the emergence of a book in the end times that outlines seven events in the revelation chapter 10 john witnesses a powerful angel descending from heaven who holds open a book while he utters seven thunders although john heard the thunders and was about to write them down he was told to conceal them the author of a house divided feels that he has uncovered what those seven thunders are by themselves the seven end events only scratch the surface of all the new prophetic interpretations that are presented in this book there are at least twenty completely new interpretations of prophecy never before presented that are detailed in the book many of the author's interpretations are as bold in its assertions as the revelation is mysterious jews also will find this work especially intriguing in rather blunt terms the author exalts jews while diminishing the importance of many religious social and political organizations of our day including organized christian hierarchy and the catholic church the book uses a minimum of scriptural quotes and explains in everyday language and terms what christians must know to prepare themselves for a terrible christian holocaust in the future and the book has been formatted to appeal to the less educated christian formerly most prophecy authors have ignored the larger portion of christians who are not schooled in ancient text translations and scholarly jargon a house divided dispenses with the scholarly chitchat that has inhibited understanding in past prophecy works it omits diplomacy and gets straight to the point without a doubt a house divided is as profound in fresh and new end times understanding in this day as the revelation was in the day of john do not miss this opportunity to know understand and remember what has eluded all of us to this day the final revealing of the mystery of god and the whole end times truth
