the incredible story of the man behind toms shoes and one for one the revolutionary business model that marries fun profit and social good a creative and open hearted business model for our times the wall street journal why this book is for you you re ready to make a difference in the world through your own start up business a nonprofit organization or a new project that you create within your current job you want to love your work work for what you love and have a positive impact on the world all at the same time you re inspired by charity water method and feed projects and want to learn how these organizations got their start you re curious about how someone who never made a pair of shoes attended fashion school or worked in retail created one of the fastest growing footwear companies in the world by giving

shoes away you're looking for a new model of success to share with your children, students, co-workers, and members of your community, you're ready to start something that matters. With every book you purchase, a new book will be provided to a child in need, one for one.

As the body count rises, Stevens and Prowes are thrust into a relentless game of cat and mouse with a sadistic killer who leaves a trail of terror and destruction in his wake. Each gruesome murder increases the pressure as the clock ticks down, pushing them to their limits. When the killings start, law enforcement agencies join forces to hunt down the monster known as the Mangler. Blake Stevens, a violent crimes investigator with the Department of Corrections and FBI Special Agent Jack Prowes, will stop at nothing to see justice prevail. Together, they navigate a web of clues and face unimaginable horrors all while confronting their inner demons. Can Stevens and Prowes catch the Mangler before he strikes again, or will they become his next victims? Brace yourself for a heart-pounding edge-of-your-seat thriller that will keep you guessing until the very end. Justice is on the line, and failure is not an option.

In 2006, the TOMS shoe company radically disrupted the for-profit business model, literally for good. In challenging what a money-making company could do with its earnings, TOMS incorporated a giving component within its business model, making giving intrinsic to each sale. For every pair of shoes sold, another pair would be given away to a child in need. Giving thus became good business at both levels: in making money and in helping kids. The TOMS effect is a book that explains and explores this phenomenon through TOMS company history as well as through major corporations like Walgreens, Walmart, Nestle, Stella Artois, and Michael Kors, as in addition to younger, smaller companies and start-ups like Warby Parker, Brandless, and Not Impossible Labs. TOMS founder Blake Mycoskie was the epitome of counter-culture CEO. His goal to start something that matters has been proven in terms of business sense; he is worth 300 million and has been sustained through product line evolution and creative marketing, where the shoes become a movement and the customer becomes a partner. The TOMS effect has influenced the behavior of consumers as well as young entrepreneurs and established corporations. In November 2018, Blake took to late-night shows to publicize TOMS' newest giving ventures: End Gun Violence Together, EGVT, and Pick Your Style, Pick Your Stand. These campaigns have been riskier than TOMS' previous social justice, health, and community efforts. Will this latest iteration of the TOMS model be sustainable both in terms of monetization of EGVT products and in effectively causing change?
