sermon by t d jakes based on paul s teachings in ephesians on how to overcome pain and praise god in all circumstances

the reading and preaching of the scriptures in the worship of the christian church is a multivolume study by hughes oliphant old that canvasses the history of preaching from the words of moses at mount sinai through modern times in volume 1 the biblical period old begins his survey by discussing the roots of the christian ministry of the word in the worship of israel he then examines the preaching of christ and the apostles finally old looks at the development and practice of christian preaching in the second and third centuries concluding with the ministry of origen

for the souls of black folks examines the impact of black religious culture in shaping the ethical values and sociopolitical condition of u s blacks the book reviews the nexus of theological traditions and historical factors that have formed black churches as environments where preachers serve as the moral compass for black churchgoers for the souls of black folks builds upon the work of sociologist w e b du bois who highlighted the presence of a double consciousness in the collective psyche of blacks stemming from racial oppression the book explores the ways in which that double consciousness often reflected in black preaching socializes black christians to subjugate their own moral authority to that of black preachers the central argument is that this socialization to submit to preachers greatly underserves black churchgoers in developing and exercising their own power and authority as social agents and thus significantly impedes the full sociopolitical liberation of all blacks the book offers important new preaching strategies that more effectively facilitate the

empowerment of blacks as critical agents of social transformation and healing in the twenty first century

religious leaders and faith based politics ten profiles offers a powerful and timely analysis of the dynamic relationship between religious leaders of all faiths and political activism in the united states by examining the lives and works of such prominent leaders as reverend floyd flake bishop t d jakes reverend al sharpton elder dallin h oakes rabbi daniel lapin reverend benjamin chavis muhammed and sister maureen fiedler this volume reveals an american tradition of religious influence on public policy that continues to be an important hallmark of our democracy from the colonial era to the present religious leaders have raised americans moral and political awareness of countless issues including revolution slavery temperance civil rights and most recently the culture wars this book is the first to explore the renewed and intense commitment of evangelicals catholics muslims and jews to preach teach and participate in politics today among the questions answered in this book are religious leaders today as active and vocal as the radicals of the turbulent 1960s are these activists still involved in civil rights or have other contentious topics such as abortion and traditional family values preempted such issues in the wake of the 2000 election and at the start of a new administration committed to elevating the role of religion in politics jo renee formicola hubert morken and this prominent collection of contributors ask might we expect greater american religious involvement in the years ahead this is essential reading for anyone interested in religious and political activism or the evolving relationship between church and state in america

in this new book on the rise of commercial black mega churches mary hinton examines the rich legacy of the historic black church from the dual perspectives of theology and religious education she explores the new religious models emerging from the tradition of the historic black church and questions whether they are continuing to operate and practice according to the wisdom of this unique form of american religion two mega church ministries those of t d jakes and creflo dollar are examined in detail with regards to how they align with black church religious history hinton concludes by proposing that the fastest growing religious phenomenon within and outside of the black community in the united states the mega church should no longer be analyzed based on size alone instead hinton urges readers to consider the ecclesiastical structures of churches in making appropriate assessments in determining should and should not be classified as a commercial church
