a study of the common phenomena related by people who have been revived from clinical death

looks at death and immortality from both a secular and a religious viewpoint and discusses near death experiences purgatory reincarnation and the vewpoints of non christian faiths

a life long exploration of the mysterious world of afterlife research has led to this book the notion of a world beyond this one is firmly rooted into our popular culture as countless strange phenomena in life point us toward this direction from hauntings to near death experiences and many more encounters with the beyond by venturing all the way through this rabbit hole cyrus kirkpatrick has come out from the other end still with his marbles intact and with the intention of finally putting all the pieces together to describe the reality behind what appears to be a multi planar universe that we all exist as part of a topic that must be

ultimately rooted in science and not the new age aisle understanding life after death is hopefully an attempt to push the subject in the right direction

although most religions believe there is life after death no one has been able to prove this point of view believers describe near death experiences and visits from the dead while skeptics point to scientific explanations and hoaxes authors in this anthology present both sides of the argument about the afterlife

the groundbreaking bestselling classic now available in a special fortieth anniversary edition that includes a new foreword from eben alexander m d author of proof of heaven and a new afterword by the author raymond moody is the father of the modern nde near death experience movement and his pioneering work life after life transformed the world revolutionizing the way we think about death and what lies beyond originally published in 1975 it is the groundbreaking study of one hundred people who experienced clinical death and were revived and who tell in their own words what lies beyond death a smash bestseller that has sold more than thirteen million copies around the globe life after life introduced us to concepts including the bright light the tunnel the presence of loved ones waiting on the other side that have become cultural memes today and paved the way for modern bestsellers by eben alexander todd burpo mary neal and betty eadie that have shaped countless readers notions about the end life and the meaning of death

writing in the wake of a near fatal stroke eminent theologian anthony c thiselton addresses a universally significant topic death and what comes next this distinctive study of the last things comprehensively explores questions about individual death the intermediate state the return of christ the resurrection of the dead hell the final state of the redeemed and more at once scholarly and pastoral thiselton s life after death offers biblically astute historically informed and intellectually sound answers making this book an invaluable resource for thinking christians

unlike many books about the afterlife life after death makes no appeal to religious faith divine revelation or sacred texts drawing on some of the most powerful theories and trends in physics evolutionary biology science philosophy and psychology d souza shows why the atheist critique of immortality is irrational it is not only reasonable to believe in life after death it is also beneficial such a belief gives depth and significance to this life a path to happiness and reason for hope

is death the end or to put it another way do we survive bodily death some shrug their shoulders and declare we simply can t know others just say no and a few flying their philosophical colors pretentiously profess to not even understand the question curiously the overwhelming majority of human beings throughout the course of history have taken it for granted that death is not the end that there is a life after death this striking and seemingly instinctive belief has been embodied in the religious traditions and philosophical reflections of most cultures there is life after death is the first of its kind in that it assembles and analyzes a

comprehensive range of data on life after death and then provides the framework needed to understand the data no previous book has presented such concrete evidence evidence based on the accounts of eyewitnesses as well as on data derived from diverse sources through out the world and history supporting the exi

in this smash bestseller that has sold more than 14 million copies around the world dr moody reveals his ground breaking study of people who experienced clinical death and were revived their amazing testimonies and surprising descriptions of death and beyond are so strikingly similar so vivid and so overwhelmingly positive they have changed the way we view life and death and the spiritual hereafter introducing the revolutionary concepts of the nde near death experience the bright light and the tunnel life after life has shaped countless reader s notions about the meaning of the death and offered essential reassurance to anyone who has wondered what comes next the 40th anniversary edition of this seminal classic is revised with a new foreword by eben alexander author of proof of heaven and a new afterword by the author

provides an overview of different religions views of life after death other topics include reincarnation past life regressions communicating with the departed through seances and mediums near death experiences and how to arrange your own out of body experience

get an after life a belief in the afterlife is common to almost every faith and culture around the world even people who don t consider themselves spiritual share a fascination in life after death in this powerful guide author and intuitive diane ahlquist shares her own knowledge of the subject as well as the views of such religious and spiritual leaders as edgar cayce and the dalai lama

what happens to the spirit after the body dies in life after death deepak chopra draws on cutting edge scientific discoveries and the great wisdom traditions to provide a map of the afterlife he tells us there is abundant evidence that the world beyond is not separated from this world by an impassable wall in fact a single reality embraces all worlds all times and places a must read for everyone who will die candace b pert ph d author of molecules of emotion a penetrating and insightful investigation into the greatest mystery of existence this is an important book because only by facing death will we come to a deeper realization of who we are eckhart tolle author of a new earth and the power of now if i had any doubts about the afterlife i don t have them anymore deepak chopra has cast his inimitable light on the darkened corners of death i think this is his greatest contribution yet marianne williamson author of the age of miracles and the gift of change

life after death why reincarnation is the only afterlife option may be a bit of a controversial topic as there are those that are of the opinion that reincarnation if a

fallacy so it could never be an option for the afterlife this is what makes it so interesting it just peaks the curiosity to find out what information the author has presented to support this train of thought though we have made much advancement as a people life after death remains one of the most challenging and mysterious topics that we have to explore a lot of research is being done and as the results come in we learn more this book helps with that learning as there is a lot of information presented that does get the minds thinking we get an insight into what the afterlife is and how reincarnation fits into that and why in the long run it turns out to be not just the best but the only option for the afterlife to learn why this option is so beneficial one has to just turn the page and start reading the author has put all of his efforts into this book and it shows

dr fox explains what death is and why we should not fear our transition

people have believed in the existence of life after death throughout human history and in all regions of the world mere belief however does not make it true what is the empirical evidence for life after death has any significant research been conducted and if so what conclusions does it suggest in fact there exists a large body of research on topics relevant to the question of life after death this book objectively examines that research drawing together the observations of social science regarding such phenomena as reincarnation near death experiences deathbed visions cases of possession by dead spirits and apparitions of the deceased it considers possibilities including survival of consciousness and survival of personality and reflects on the logical problems inherent in any model of postmortem survival an extensive bibliography lists hundreds of studies of life after death phenomena

life after death afterlife life after death what happens when you die rebirth or game over ever wonder what really happens when you die what happens to us when we die have you ever asked yourself this question whether it was out of curiosity for yourself or because you've experienced the passing of a loved one and want to know if they're ok then finally the answers you have been waiting for are here afterlife what happens when you die rebirth or game over is your ultimate guide to unraveling once and for all the great mysteries of the afterlife here's what you'll discover karma and the balancing of life activities remembering past lives how we experience life after death stop wondering and waiting discover the truth about death today so you can live the life you've always wanted the truth is waiting for you

in this follow up to elisa medhus's novel my son and the afterlife elisa's son erik tells his astonishing story directly from the afterlife describing in detail his death transition and spiritual renewal my life after death begins on the tragic day when erik medhus took his own life what follows is a moment by moment account of the spiritual life he discovers on the other side told in his own words as channeled by medium jamie butler and then transcribed by his mother dr elisa medhus

overflowing with his signature directness and honesty erik describes more than just a visit to the afterlife he personally walks us through the experience of dying the trauma and regret of committing suicide transitioning into spirit form revealing a detailed look at the life awaiting us on the other side in this intimate unique and provocative memoir crucial questions about the afterlife will finally be answered including what does it feel like to die what is it like to become a spirit why and how do spirits communicate with the living is there a heaven ultimately erik s story sheds light on his mental illness while also providing the answers that will help readers find solace and remove the fears surrounding death showing that love has no boundaries and life truly does go on content warning please note that there is some explicit language present in this book
