following the previous volume of essays by jacques rancière from the 1970s staging the people the proletarian and his double this second collection focuses on the ways in which radical philosophers understand the people they profess to speak for the intellectual and his people engages in an incisive and original way with current political and cultural issues including the discovery of totalitarianism by the new philosophers the relationship of sartre and foucault to popular struggles nostalgia for the ebbing world of the factory the slippage of the artistic avant garde into defending corporate privilege and the ambiguous sociological critique of pierre bourdieu as ever rancière challenges all patterns of thought in which one time radicalism has become empty convention

charles haddon spurgeon 1834 1892 was the most famous baptist minister of his generation for such a significant figure he has received surprisingly little scholarly coverage this present work seeks to make a contribution to spurgeon studies by examining him through the lens of his spirituality a wealth of primary material much of it previously untapped is used to build up a picture of his spiritual life whereas older and more recent interpretations of spurgeon have a tendency to be one dimensional examination of his spirituality reveals him to be a complex figure one who was molded by a diverse range of factors despite this complexity a unifying theme for spurgeon s spirituality is traced and fresh light is shed on the foremost popular preacher of the victorian age

we like adam find ourselves in a world not of our own making awe stricken wondering what it s all about surely we have an innate hunger to know our creator for the answers we turn to the bible as the only written word about who god is and how we relate to him god and his people from eden to bethlehem follows old testament events and personalities in a smooth chronological flow from the garden of eden to the birth of jesus christ in bethlehem omitting the poetic books the author uses key verses of scripture mainly from the book to develop sixty four short overlapping essays under nine natural headings to convey the

unbroken journey of god s people from adam in eden to jesus in bethlehem including happenings in the holy land between the old and new testaments
