build better products by expanding the role of product management
managing product management argues that product management should be reinstituted as a key source of innovative ideas that solve broad market problems
it illustrates how to organize the product management function of a company to create build and produce innovative and game changing products and services
steven haines is the founder and president of sequent learning networks a training and advisory services firm with an international client base
he held leadership roles for at t and oracle and was adjunct professor at rutgers university s business school

three e books in one
the product manager s desk reference
whether a business sells tangible goods or services
product management holds a critical position in the organization s pursuit of profits because traditional departmental roles continually evolve and because the business climate is so competitive the job of product manager has become exceedingly critical yet it remains very complex
the product manager s desk reference is the first book to lay down a comprehensive body of knowledge for this critical function and it is the only book that can effectively guide product managers so that they can establish and build a successful career in product management
here product management expert and practitioner steven haines clearly illustrates the entire product life cycle from beginning to end this outstanding work is packed with an array of best practices and helpful hints which are critical to the efficient management of products
the product manager s survival guide
the product manager s survival guide provides best practices practical on the job advice and a step by step blueprint for succeeding in product management whatever your level of experience whether you re a novice product manager or seasoned product management leader you ll find everything you need to make consistent positive impacts on your business with this practical guide in your hands you have the most powerful tool available for increasing your productivity quickly and dramatically in a way that is noticeable and measurable
managing product management does your company use product management to its fullest potential in managing product management
steven haines lays the groundwork for moving product management out of a supporting role and establishing it as a vital strategic partner with other business functions
he provides a solid implementable framework that takes you step by step through a process that will transform your company in profound ways
design and support cross functional product teams to steer a product line and deliver agreed upon business results
institute a governing model that sustains product management in its dynamic role

forge a powerful strategy to become a product manager who delivers results
the world of business is moving at breakneck speed more is being demanded of everyone with fewer resources than ever in no profession is this more apparent than product management
written by one of today s leading product management thought leaders
steven haines the product manager s survival guide provides best practices practical on the job advice and a step by step blueprint for succeeding in product

management whatever your level of experience whether you re a novice product manager or seasoned product management leader you ll find everything you need to make consistent positive impacts on your business with this practical guide in your hands you have the most powerful tool available for increasing your productivity quickly and dramatically in a way that is noticeable and measurable the product manager s survival guide is conveniently organized into four sections i getting your bearings map out your plan to begin the journey to success ii learning the product s business go beyond features and functions to become the product expert customer advocate and domain expert iii getting work done synchronize and orchestrate the work of others to help everyone maintain focus on company goals iv moving forward round out your experience to take the next critical steps in your product management career the only way to excel as a product manager is to develop a strategy for the long run start formulating one now and you will be well ahead of your competition internally and externally the product manager s survival guide gives you the tools and insight you need to start putting the pieces in place now so you can succeed well into the future

advance in your product management career and create innovative products that customers love regardless of industry or sector to compete in today s business world product managers must understand how their customer s preferences change how technology evolves and how to anticipate what competitors might do you need a reliable resource that provides timely guidance and practical tools to help you compete with new content and expert advice this updated edition of the product manager s survival guide brings you fully up to date on what you need to succeed as a product manager for your professional future you ll learn it s not the development technique that will help you get ahead it s how you think like a strategically minded business person your continuous learning starts with your product management acumen assessment and takes root when you develop your own professional development strategy as you continue your career journey you ll be able to become a member of the exclusive product management professional community for readers of this book at sequentlearning.com community the product manager s survival guide second edition features brand new material including a product management acumen assessment survey sequentlearning.com/s3/pmacumen action planning ideas at the end of each chapter techniques to earn empowerment tools to develop product strategies and roadmaps methods to deploy and release products metrics to assess product performance simple and easy to understand this invaluable guide will help you bring your company into the digital age and continue to evolve with changing times

grab the all you need reference and manage your products effectively and efficiently now product managers at every level can have an authoritative one stop reference to strategizing introducing and managing products at their fingertips the product manager s desk reference uses the progression of the practitioner across the career cycle as well as the progression of the product across its life cycle to establish clear guidelines as to what must be done when by whom and with what level of expertise

are you a coach or trainer looking to work more with the body do you want to work safely and help your clients make deeper change do you know that the body matters for facilitation but are not sure practically how to develop this aspect of your work this book will provide you with the theory and real world tools for excellence in embodied facilitation it contains over 50 simple exercises for both you and your clients and offers a clear pragmatic framework for deepening your experience and developing your skills through core techniques such as awareness raising exercises centring and embodied listening you will learn how to help clients with a range of common coaching topics such as leadership confidence finding purpose stress management communication skills mark walsh s straight talking approach offers a framework for understanding the field in addition to techniques you can use with clients immediately from processing trauma to centring yourself in times of stress it is a no nonsense resource for any coach facilitator or teacher wanting to work more through the body the body is a huge part of who we are yet it is often ignored this book will show you how to include it safely skilfully and powerfully mark walsh is a world leader in embodied facilitation he founded the embodied facilitator course and embodied yoga principles hosts the embodiment podcast led the record breaking embodiment conference and manages the business training company integration training he holds a black belt in aikido an honours degree in psychology and a 50m swimming badge he offends pirates with his swearing and impresses dads globally with his jokes

the definitive guide to product management updated for a more digital more global more competitive business landscape the digital age is here to stay that means the pace of business change will only increase and competitive forces will challenge you and your role as a product manager this is the book that provides the only definitive body of knowledge of product management that you and your product teams can use to optimize your product s business the product manager s desk reference has long been the go to resource for product managers who seek to deliver quantifiable benefits to their company in this fully revised edition of this bestseller veteran product management thought leader steven haines lays out a repeatable process for product management organizational transformation providing a clear roadmap you can follow to become the entrepreneurial strategic thinker who can drive your organization and your career into the future packed with important updates and revisions the product manager s desk reference third edition provides essential advice on companies with portfolio of digital and traditional products utilization of various development methods waterfall and agile product design methods to deliver better user experiences strategic thinking and business analysis cross functional product team collaboration product portfolio management and product discontinuation room for error in today s fast paced business environment shrinks by the minute packed with an array of new tools techniques and best practices along with an explicit emphasis on data analytics and product performance this new edition of the definitive product management resource is a timely and actionable guide to kicking your product management strategies into high gear

previous editions sold more than 17 000 copies now includes a cd rom with excel worksheet templates and features new chapters on product management brand strategy and international perspectives linda gorchels is a well known product management authority and the author of the product manager s field guide and the manager s guide to distribution channels

is it god s will to heal does he want me healed in this bible study you will go through scriptures finding out what god has to say regarding healing and whether it is for you today as you journey through the scriptures and read the testimonies of people who have received their healing your faith will increase as you become convinced that god wants you healed and healthy
