after two devastating defeats and the utter annihilation of two armies the hideous vlagh still vows to invade the land of dhrall a voracious insectile overmind she can breed millions of soldiers in mere days and even evolve entire new species in just a week at first dhrall's mortal defenders a motley bunch of mercenaries pirates horse lords and lone heroes like the archer longbow are certain they'll prevail again most are now battle hardened veterans and the natives of dhrall are fierce bison hunters and bear slayers ready to fight but while the vlagh's past servants were giant venomous and mindless bugs it has now created perfect spies new minions with a man's appearance and intelligence corrupted by the agents of the vlagh the human tribes are soon at one another's throats far far worse for mortals is the fact that the gods can no longer be trusted for nearing the end of their 25 000 year cycle the elder gods are doddering toward senility and dementia and to add to mankind's plight a strange mysterious entity is manipulating the forces in the upcoming strife and neither gods nor mortals know its true intentions now beset by astonishing dire challenges longbow and his fellow mortals must wage a bitter war against a supernatural enemy one that has evolved in ways they could have never imagined

bestselling authors david and leigh eddings welcome readers back to the time before the belgariad and the malloreon series join them as they chronicle that fateful conflict between two mortally opposed destinies in a monumental war of men and kings and gods when the world was young and gods still walked among their mortal children a headstrong orphan boy set out to explore the world thus began the extraordinary adventures that would mold that youthful vagabond into a man and the man into the finely honed instrument of prophecy known to all the world as belgarath the sorcerer then came the dark day when the dark god torak split the world asunder and the god aldur and his disciples began their monumental labor to set destiny aright foremost among their number was belgarath his ceaseless devotion was foredoomed to cost him that which he held most dear even as his loyal service would extend through echoing centuries of loss of struggle and of ultimate triumph

somewhere beyond the farthest pole of the world the land of dhrall lies anchored by the will of four powerful gods able to bend reality to their whims and influence the lives of mortal men these deities are still bound by the laws of nature and cannot take lives yet the gods are not the only power for in the center of dhrall lives a voracious horror known as the vlagh a nightmare made flesh the vlagh has bred a massive army of hideous monsters to overrun the world in the coming battles the people of dhrall will be aided by a ragtag force of foreign mercenaries and pirates but the true champions of the war will be four enigmatic children known as the dreamers raised by the gods themselves these children can alter the fabric of reality but unlike the elder gods the dreamers do not hesitate to kill

flush from their narrow victory over the horrific vlagh longbow and his companions are drawn to a pastoral territory in south dhrall confident that they will thwart the next assault by their inhuman foe but on the border of the wasteland the vlagh is breeding a monstrous new army of venomous bat bugs and armored spiders these grotesque legions threaten to overwhelm the allies who are further shocked by a prophecy delivered by the dreamers an invasion by a new second army a force of armed acolytes approaches to plunder this unspoiled land in a global holy war now farmers and hunters soldiers and madmen mortals and gods all charge to a battle that will decide the fate of the world

david and leigh eddings were mythmakers and world builders of the first order with the redemption of althalus the authors of the belgariad and malloreon sagas created a thrilling stand alone epic boldly written and brilliantly imagined it would be sheer folly to try to conceal the true nature of althalus for his flaws are the stuff of legend he is as all men know a thief a liar an occasional murderer an outrageous braggart and a man devoid of even the slightest hint of honor yet of all the men in the world it is althalus unrepentant rogue and scoundrel who will become the champion of humanity in its desperate struggle against the forces of an ancient god determined to return the universe to nothingness on his way to steal the book from the house at the end of the world althalus is confronted by a cat a cat with eyes like emeralds the voice of a woman and the powers of a goddess she is dweia sister to the gods and a greater thief even than althalus she must be for in no time at all she has stolen his heart and

more she has stolen time itself for when althalus leaves the house at the end of the world much wiser but not a day older than when he d first entered it thousands of years have gone by but dweia is not the only one able to manipulate time her evil brother shares the power and while dweia has been teaching althalus the secrets of the book the ancient god has been using the dark magic of his own book to rewrite history yet all is not lost but only if althalus still a thief at heart can bring together a ragtag group of men women and children with no reason to trust him or each other praise for the redemption of althalus highly recommended featuring a cast of engaging characters some fanciful plot twists and a light hearted atmosphere that should appeal strongly to fans and first time readers alike library journal the story takes off the interactions between characters straightforward plotting and doses of wry humor keep the tale humming booklist an engaging young reprobate hero a magical realm of good natured fun publishers weekly a compelling involving story science fiction chronicle
